News

Friday 20th January 2023

“Our internal Wall Art has finally been completed with a fantastic woodland mural adorning our EYFS area. The displays have brought our corridors alive with so much discussion and chatter amongst the children. We hope that you will be able to see the displays during our forthcoming Parents’ Evening.”

Mr. D Paton

NEU INDUSTRIAL ACTION

You may be aware from media coverage that the NEU have declared strike action which will take place on 1st February 2023; 28th February 2023; 15th March, 2023 and 16th March 2023. The strike is happening because of a national dispute between the unions and the government over pay and conditions.

Currently, it is my proposal that school remains open to minimise any impact on children. However, this is subject to changes in circumstances over the coming week.

I will keep you updated and notified as soon as possible.

Best wishes, Mr. D Paton

CLASS 6L BIKEABILITY

UNFORTUNATELY DUE TO THE SNOW THIS WEEK CLASS 6L ONLY COMPLETED LEVEL 1 OF THEIR BIKEABILITY TRAINING. THEY WILL COMPLETE LEVEL 2 IN FEBRUARY INSTEAD AND YOU WILL BE INFORMED OF THE DATE NEARER THE TIME. WE APOLOGISE FOR ANY INCONVENIENCE.

**MONDAY 23RD JANUARY - THURSDAY 26TH JANUARY = CLASS 5H BIKEABILITY
FRIDAY 27TH JANUARY = CLASS 4H**

As a school we are very pleased to have secured Bikeability courses that will take place across the school during the Spring 1st Half Term. Class 5H will start their Bikeability Course to learn how to ride safely on the roads between Monday 23rd January - Thursday 26th January next week. Class 4H will then do a Level 1 version of this course on the playground on Friday 27th January.

Class 5H should wear their PE kit Monday-Thursday next week - they will not do PE on Friday, they must have jogging pants and a waterproof coat. They should bring their bike with them on Monday morning. This can remain in the hall overnight and go home with them on Thursday or be taken home each evening. Class 4H should come to school on Friday wearing their PE kit as above on Friday bringing their bike and helmet with them on this day. We do have some spare bikes and helmets for the children to borrow if necessary, please contact Miss Fazackerley if this is needed.

PTFA NEWS

**PTFA FIRST AID WORKSHOP FOR ADULTS AND NOUGHTIES SOCIAL EVENT
PLEASE SEE POSTERS LATER IN THE NEWSLETTER FOR MORE INFORMATION.**

In conjunction with Daisy First Aid we will be holding adult first aid workshops at school on **Monday 30th January, Wednesday 1st February, Monday 6th February and Wednesday 8th February.** These can be booked on the Parents Evening Booking System and paid for on the school Gateway. Sessions are £20 per adult and will take place in the school lodge.

We're back for 2023 with noughties night! Tickets will be on sale via the gateway at the bargain price of £10pp including food. So book your babysitters for the **10th March**, dust off your combats and crop tops and head to the Jaguar Sports and Social for a night of noughties nostalgia.

Our next meeting is 5.30pm on Monday 13th February. We're always in need of extra hands, please come along and see what we're all about.

ADVERSE WEATHER AND ROADWORKS!

Thank you for your patience and understanding this week during the snow, ice and roadworks. As you saw the roadworks HAVE NOW STARTED on **Wedgewood Drive** for 5 weeks. On Monday this resulted in the road being completely blocked and has the potential to cause chaos on the roads around school as Wedgewood Drive was impassable. Therefore we strongly recommend that you walk to school and do not attempt to drive down Wedgewood Drive. To try and alleviate this the school gates will open from 8.35am so that there is a longer window for children to enter school. We thank you in advance for your support and patience!

PARENTS' CONSULTATION EVENINGS

Our parent consultation meetings will take place in our school hall during the first week back of the Spring 2nd Half Term on: Tuesday 28th February and Thursday 2nd March.

During these meetings parents will be given the opportunity to visit their child's classroom and look at their books before a 10 minute meeting with their child's class teacher in the hall. Please book an appointment using the Parent's Evening Booking System, following the link on the school website for your child/children. The booking system is already open. If you are a two household family and require separate appointments please contact the office directly.

YEAR 6 SATS AND YORK MEETING - WEDNESDAY 25TH JANUARY 6PM

We will be holding a meeting for the parents of children in Year 6 on Wednesday 25th January to discuss this year's forthcoming SATs and our residential trip to York. During this meeting we will give parents information about how they can support their children moving forwards in their preparation for SATs but then also trip information so you can make an informed decision about your child attending the residential.

This meeting is for adults only and Year 6 children should not attend.

PARENT GOVERNOR ELECTIONS - BALLOT PAPERS

We have a vacancy for a new parent governor on our school governing body. We have had interest from two candidates and you will ballot papers to vote on Monday.

Number Day 2023

NSPCC

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on Friday 3rd February 2023.

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds**

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

- We are having a fun day of maths activities and we will be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on or get even more creative by dressing in a maths or numbers theme.
- Each class will be creating their own enterprise project linked to numbers to raise money during this day for the NSPCC. Family and friends can sponsor pupils to complete the challenge. There will be a competition between classes as to which class can raise the most money to win a prize.
- We are taking on Buddy's Key Challenges in our classes and are working to solve exciting maths puzzles in our classes, against the clock with Buddy, the *Speak out. Stay safe* mascot. Family and friends can sponsor pupils to complete the challenge.

Safe fundraising

Nearer the time your child will explain to you how their class will be raising money. Children can then be sponsored for this event or complete an activity that they have decided on as a class to raise funds and we will then ask that Parents complete the Sponsor form and donate if possible sharing with family and friends so we can support the NSPCC. Money raised can then be donated on this day using the School Gateway system and then we will donate the money raised to the NSPCC.

It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Lunt's Heath will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Best wishes,

Mr D Paton

newsletter

Another week has flown by in Early Years! There has been much excitement as the children were greeted by quite the transformation on Thursday morning. We have been lucky enough to have the wall art installed in our corridor and now each morning the children are greeted by a wonderful woodland scene with lots of different woodland animals.

We really appreciate your contributions for snack. The children have enjoyed exploring foods such as noodles and rice with various vegetable accompaniments, prawn crackers and spring rolls. Snack time is an invaluable opportunity for children to develop their fine motor skills during food preparation and independence skills when they tidy up after themselves.

How do people celebrate Chinese New Year?

We have continued our work on the Big Question 'How do people celebrate Chinese New Year?' The children have loved engaging in various activities such as investigating floating and sinking to help the animals of the zodiac to build a raft over the river, exploring ways Chinese New Year is celebrated, making Chinese lanterns and exploring where China is on a world map.

Mathematics

In Maths we have been subitising superstars! The children have become so proficient at subitising numbers within five and we have applied this skill to representations on a five frame. We have then extended our learning by exploring how numbers 6-10 can appear on a ten frame. In our Maths fluency sessions we have had lots of practise applying the vocabulary of 'more than' and 'fewer than' to compare sets of objects.

Please can you ensure your child has their book bag in school each day with their reading book and diary so we can check in with their progress and change their reading books when needed-thank you.

If you have any questions, please do not hesitate to speak to a member of the team-thank you!

THIS WEEK

YEAR 2 - D.T. ROCKETS

This week Year 2 have been creating their own rockets from their designs in D.T. They will then test and evaluate these within their design technology lessons.

YEAR 3 - DANCE

Year 3 are thoroughly enjoying our dance sessions with Miss Valentine. We come out of our sessions out of breath, but smiling and full of new dance skills.

THIS WEEK

YEAR 5 - FOREST SCHOOLS

This week during their Forest School session Year 5 braved the cold to create their own artwork.

YEAR 5 - AFRICAN DRUMMING

Year 5 have enjoyed working with Mr Phillips to learn the rhythms and instruments associated with African Drumming. They love performing as a class.

Lunt's Heath School Band

Attention all Key Stage 2 students!

Do you play a musical instrument or sing and would like to learn to perform in a band?

Would you like to learn a musical instrument and play in a band?

Lunts Heath Pop/Rock Club will be held every Friday after school and will run for one hour .

With 14 places available we are looking for Singers, Guitarists, Keyboard/Piano players, Ukulele Players and Drummers. If you already play a different instrument then why not bring it along and join in too!!!

Drumkit, Keyboards, Microphones and a limited number of other instruments will be available to use. If you have your own instrument then bring it along with you.

We will be learning to play, sing and perform popular songs together...For more info contact info@earlynotesmusic.education

To sign up please contact Early Notes Music Education via email. info@earlynotesmusic.education

Please read the information above. The sessions are £5 a session so £50 for the 10 week block and payments are made directly to Mr Lynch. There are 14 places available in the band. If you would like to sign your child up then please contact Mr Lynch directly via the email address above. Band practice will start on Friday 20th February and then follow school club dates. Sessions run until 4.15pm and children should be collected from the Junior playground.

Family First Aid Classes

We know life with children can come with some knocks, some bigger than others! Lucy from Daisy First Aid is offering the chance for parents/carers and family members to attend family focussed first aid classes in school. We are rolling out our first set of dates for these sessions as follows:

Monday 30th January
Wednesday 1st February
Monday 6th February
Wednesday 8th February

All of these sessions will be 12.45 – 2.45pm and will be open to adults from our Lunts Heath community (parents/carers/grandparents/aunties/uncles). If these sessions are successful we will look at rolling out some further dates including some evening sessions for those who can't take time off work. The cost of the session is **£20** and part of this cost will be donated to our PTA fund. The sessions will run in small groups in the lodge in the infant playground, and will focus on first aid needs that are common in families, with a focus on how to help children. The sessions can be booked on the parents evening booking system with place confirmed once you have then made the £20 payment on the School Gateway system and will open for booking from 13.01.23.

Tickets are on sale via the School Gateway at the bargain price of £10pp including food.

So book your babysitters for the 10th March, dust off your combats and crop tops and head to the Jaguar Sports and Social for a night of noughties nostalgia.

Invite your friends, families and neighbours, dance like you're in your teenage bedroom and make a night to remember.

Look out on social media for more information and if you have any queries email luntsheathPTA@yahoo.com

HOMework

Homework is a vital part of your child's learning giving them the chance to consolidate the knowledge and skills they have learnt in school. Moving forwards teachers will be using the Seesaw app (used during lockdown) in conjunction with Maths and Spelling Shed to set homework. Your child has their personal Seesaw and Maths/Spelling Shed log ins stuck into their homework diaries to allow them to access these sites. Homework will be set on a Tuesday each week. Please help your child to access both Seesaw and Ed Shed.

If you have any issues logging in then please contact your child's class teacher directly and they will resolve this for you. Further information about EdShed can be found on the following pages

Guide for Families

Support Learning at Home

In 3 easy steps, create a supportive home learning environment for your child when they are prevented from going to school.

1

Get Seesaw on Your Home Device

On a tablet or mobile device, download the Seesaw [Class app](#)
On a web browser, bookmark [app.seesaw.me](https://seesaw.me)

NOTE: The Seesaw Class app is different than the Seesaw Family app. Students use the Class app to learn at home. Check to make sure you download the right app.

2

Help Your Child to Sign In

Click 'I'm a Student'

Type the text code or scan the QR code provided by your child's school (Follow instructions at <https://seesaw.pub/signincode>)

Don't have a code? Your child may sign in with an email address or through Clever or ClassLink. Follow sign in instructions from your child's school.

3

Support Your Child to Complete Activities

In the Class app, click the  Activities tab to see assignments

Click  to complete an Activity

Click the  Check to submit work

Watch a Class app tutorial at <https://seesaw.pub/GSVideos>

Remote Learning FAQs for Families

Why isn't my child's sign in code working?

Check to make sure: 1) You are in the **Class app** or on [app.seesaw.me](https://seesaw.me), 2) You clicked 'I'm a Student', 3) You typed the sign in credentials without errors and/or are holding the QR code far enough away so the entire code is scanned. If you continue to encounter problems, reach out to your child's teacher.

Why does my child have multiple sign in codes?

Your child's teachers may be using the free version of Seesaw. Each code signs your child in to a different class. Your child needs to sign out each time they need to switch classes. We recommend hanging each code in your home learning space for easy access.

What can students do in the Class app?

Students can use Seesaw Learning Tools to post to their Journal, respond to Seesaw Activities, and see comments from their teacher. They should not be able to see other students' work while at home. If your child can see other students' work, please alert the teacher.

I have multiple children who need to use Seesaw. How can they share a device?

Your children will need to sign out each time they use Seesaw so the other can sign in. Print your child's sign in code or credentials and post them in your home learning space for easy access.

Why can't students just use the Family app at home?

The Family app is for families to see their child's work and communicate with the teacher. Students cannot respond to Activities or post to their Journals from the Family app. Students must use the Class app to learn at home.

How do I best support my child when learning from home?

Here are some student- and family-tested tips:

- + Create a distraction-free home learning space with your child:** Your child's focus is influenced by noise, conversation, electronics, and interest in the activity. Do your best to eliminate distractions.
- + Create a consistent routine for learning at home:** Routines make children feel safe, especially during times of change. Plan for 3-4 hours of learning time, since there are fewer transitions at home than there are in school. Make sure to build in time for movement, brain breaks, chores, and fun!
- + Know that you do not need to replace your child's teacher:** Provide encouragement, support, and positivity. Focus on your child's emotional health and relationships with others, and reach out to your child's teacher when your child needs academic support.
- + Look for learning moments in everyday life:** See the next page for ideas!

Multiplication Challenge

Children in Year 4 need to complete a Multiplication Tables Check during the Summer 2nd Half Term.

Multiplication facts are needed in virtually all other areas of Mathematics therefore the more confidently children can recall these facts the easier they will find their Mathematics lessons as a barrier to learning is removed.

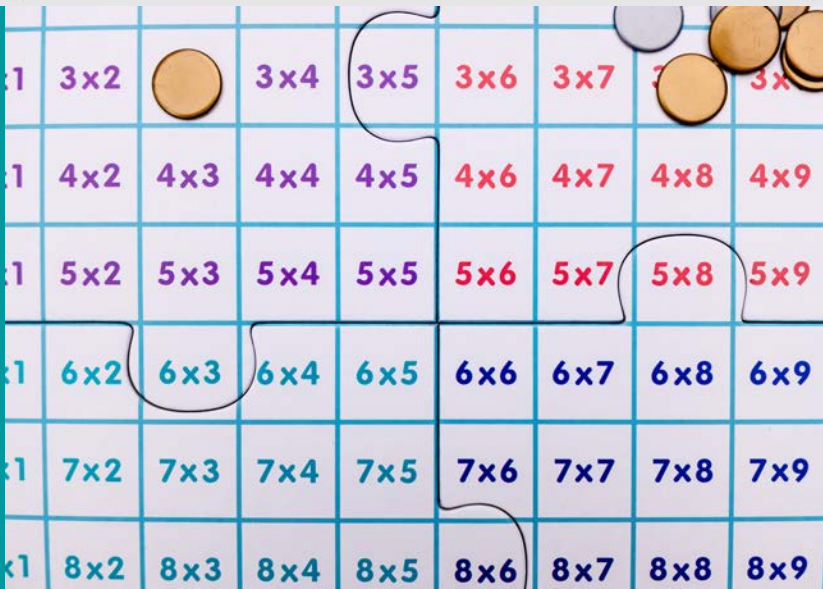

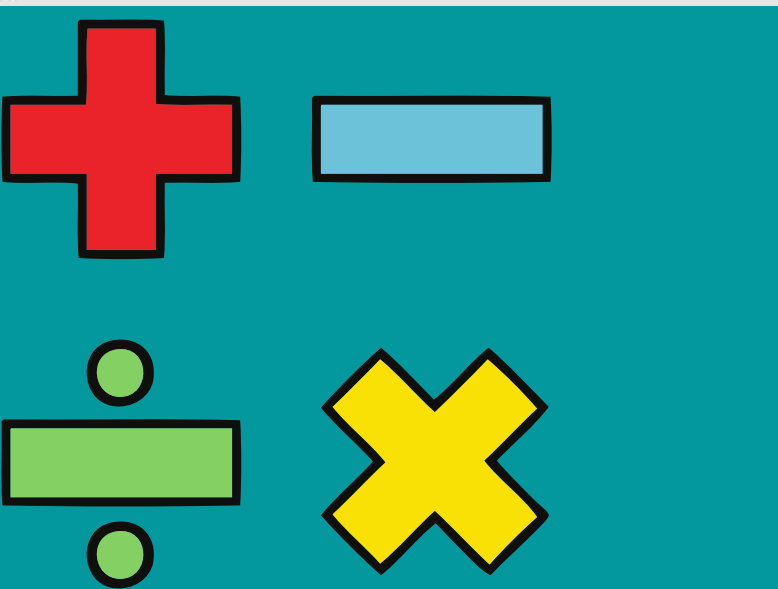

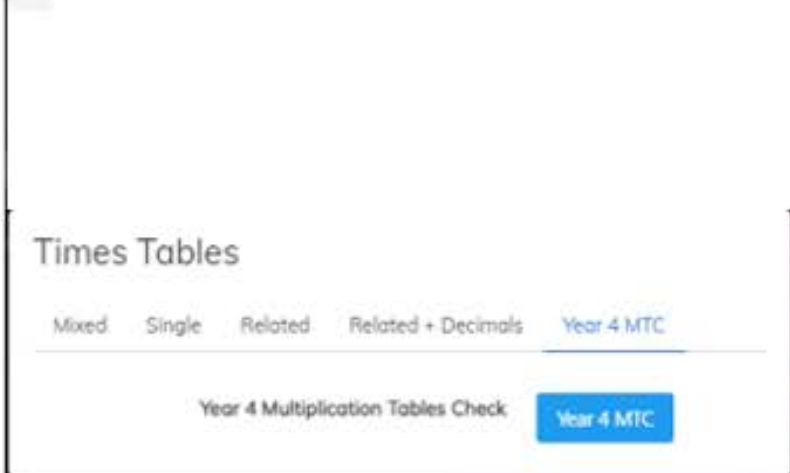

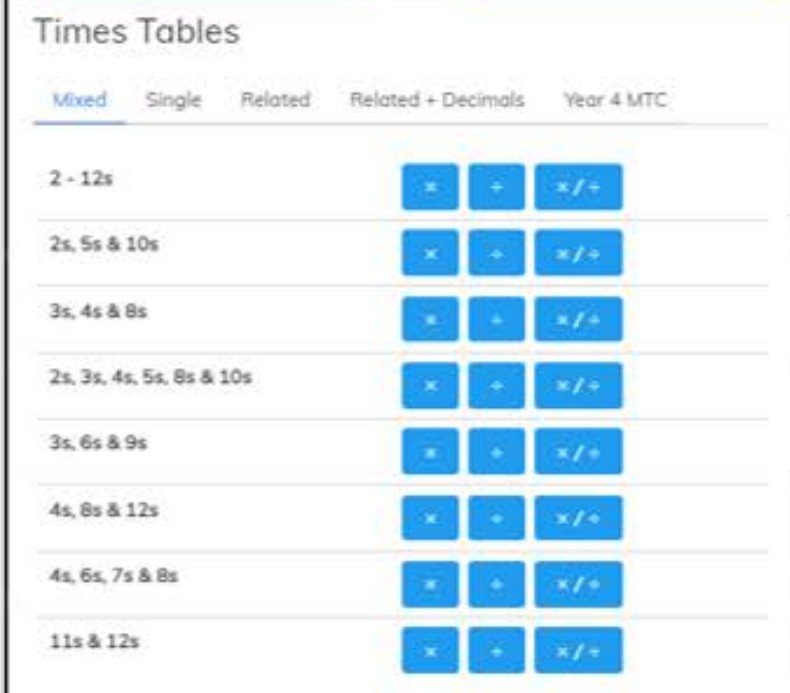

TO SUPPORT YEAR 4 IN THEIR QUEST TO RAPIDLY RECALL THEIR MULTIPLICATION FACTS WE WILL BE HOLDING A KS2 MULTIPLICATION CHALLENGE OVER THE NEXT THREE WEEKS.

PLEASE ENCOURAGE YOUR CHILD TO USE MATHS SHED ON A NIGHTLY BASIS TO PRACTICE THEIR MULTIPLICATION TABLES.

This can be found on Maths Shed. Click on Times Tables – your child can practice specific times tables that they do not know or attempt to improve their rapid recall by selecting Y4 MTC.

ON A FRIDAY WE WILL HAVE AN INDIVIDUAL WINNER FROM EACH CLASS FOR THE CHILD THAT HAS THE HIGHEST MATHS SHED SCORE AND A KS2 CLASS WINNER.

WE ARE SEARCHING FOR OUR KS2 MULTIPLICATION CHAMPION FOR KS2!

Spelling and Phonics Shed

Just a reminder that the Lunt's Heath PTA have funded a subscription for every child to not only Maths Shed but the platform which also includes Spelling and Phonics Shed.

During lockdown we have found that the children's spelling ability was greatly impacted as it was difficult to teach and test spellings virtually.

Spelling shed allows the children to practice their spellings for their age phase in a fun and interactive way through games.

Encourage your child to log into their account, select Spelling Shed or Phonics Shed. Choose their age phase and then they can choose the game type and level of challenge.
