**Friday 3rd March 2023**

**“Thank you all so much for coming into school this week for our second Parents’ Consultation Evening of the year. The opportunity to discuss progress and the pride we all have in the children is so important. This will now give us all the opportunity to develop the targets that were discussed for the second half of the year.**

**Also a huge thank you for all of your support on World Book Day! The children, and the staff, had a great day with Andy the Poet and all of the activities that they took part in!”**

**Best wishes, Mr. D. Paton Headteacher**

## KEY STAGE 1 CHILD DROP OFF

Just to remind parents that all Key Stage 1 children should be walked onto the Infant playground by an adult. This will allow your child to be passed directly to a member of school staff so they can enter school. This cannot be safely done at the school gate as there are so many other adults around. Thank you for your co-operation in keeping all our children safe.

## IMAGINE THAT = EYFS = WEDNESDAY 8TH MARCH

The children in EYFS will be going on their trip to Imagine that on Wednesday 8th March. The children should arrive at school at the normal time. They will require a packed lunch in a paper or plastic bag that can be disposed of and this should contain only disposable cartons, so can be binned after eating. Parent helpers required for the trip have already been contacted by EYFS staff. The children will return in time for the end of the school day as usual.

## THE GREAT BIG DANCE OFF COMPETITION = THURSDAY 9TH MARCH

The children in Miss Tabone's dance club will be participating in the Great Big Dance Competition on Thursday 9th March at the Parr Hall Warrington.

The children should be collected from school by an adult at 2.30pm to be transported to the event. They will meet Miss Tabone outside the Parr Hall by 3pm. The competition will start at 4pm and parents can purchase tickets for this event directly from the Parr Hall. If parents are not staying to watch the performance the children should be collected at 7pm from the event.

## CLASS 2H ASSEMBLY - FRIDAY 10TH MARCH - 2.30PM

The children in Miss Walter's class will be performing their Class Assembly on Friday 10th March in the school hall at 2.30pm. Parents/carers of children in this class are invited to join them. Tickets are not required for this event.

## FORTHCOMING TRIPS

TUESDAY 14TH MARCH = YEAR 3/4 AT 2PM

WEDNESDAY 15TH MARCH = YEAR 1/2 AT 2PM

THURSDAY 16TH MARCH = EYFS STAY AND PLAY.

## BIKEABILITY - LEARN TO RIDE - YEAR 2 AND YEAR 1

The children in Year 2 and Year 1 are being given the opportunity to complete the Learn to ride aspect of the Bikeability programme. This will take place on the infant playground on their own bike or a balance bike if they do not yet know how to ride. Further information will be included in the Evolve you will be sent this weekend.

## PARENT AND CHILD CONSULTATION SURVEYS

Following Parents' Consultation Evenings this week we have sent all parents and carers a parent and child Evolve. We use the information provided on these forms to help us to continue to improve our school. Therefore we would appreciate it if you could complete the parent survey and assist your child in completing the child survey with their views by Friday 10th March 2023. Thank you!

# Secret Present Shop

Children that have paid £2.50 on the gateway before Monday 13th March will be able to select a present for someone special from our secret shop that will be set up in school on 17.3.23. The presents will be wrapped so that they can keep them secret until Mother's Day.

Please note that we generally limit purchases to one per child. We appreciate that in some circumstances more may be needed. If you require two gifts please make two purchases but only where absolutely necessary. Please do this as soon as possible so we can ensure enough gifts are purchased.

# MUSIC AMBASSADOR SCHOOL AWARD

I am delighted to share our news that we have received a Music Ambassador School Award. On Wednesday morning, we attended the awards ceremony at Runcorn Town Hall and were very proud to collect our award from the Mayor.

# EYFS Newsletter

One week back and it is like we have never been away! The children have settled back into our school routines brilliantly. Thank you for taking the time to attend our Parent Consultation Evenings, it is lovely to be able to share your child's achievements with you.

## How many stars are there?

Our Big Question this week has been 'How many stars are there?' We started the week with a mysterious letter containing some clues as to who or what it was from. We then went on a treasure hunt in our garden and found even more 'sparkly' and 'twinkly' clues. We concluded that the letter must have been from a star! We have imagined what we would see through the window of a rocket if we journeyed to space, created our own space chalk pictures and learned that even our sun is a very powerful star.

## Mathematics

In Maths this week the children have explored more complex repeating patterns. We have been using some great Maths vocabulary to describe them before continuing them ourselves.

## Phonics skills

The children have adapted well to their new phonics groups and are working hard. I know you will have discussed how best to support your child with their reading with their class teacher but please also see Tapestry for further updates.

## EYFS Snacks

Just a reminder that now our new half term has started the £6 payment for this half term's children snack can now be paid on the School Gateway. This will allow us to continue to provide these to the children.

## Imagine That Trip

A gentle reminder that our school trip to Imagine That! Takes place on the 8th March. Please give permission via Evolve and payment can be made in the usual way. We have notified everyone who offered to help whether they are needed on this occasion or not but if you are unsure please speak to a member of the team.

Have a great weekend!

## 00's Night

Drumroll please.....we are thrilled to announce the return of our famous social night. Sadly these events were curtailed by Covid for the last few years, but following our brilliant 80s and 90s events in 2019 and 2020, we're back for 2023 with noughties night!

Tickets are on sale via the School Gateway at the bargain price of £10pp including food.

So book your babysitters for the 10th March, dust off your combats and crop tops and head to the Jaguar Sports and Social for a night of noughties nostalgia.

Invite your friends, families and neighbours, dance like you're in your teenage bedroom and make a night to remember.

Look out on social media for more information and if you have any queries email [luntsheathPTA@yahoo.com](mailto:luntsheathPTA@yahoo.com)

# HOMework

Homework is a vital part of your child's learning giving them the chance to consolidate the knowledge and skills they have learnt in school. Moving forwards teachers will be using the Seesaw app (used during lockdown) in conjunction with Maths and Spelling Shed to set homework. Your child has their personal Seesaw and Maths/Spelling Shed log ins stuck into their homework diaries to allow them to access these sites. Homework will be set on a Tuesday each week. Please help your child to access both Seesaw and Ed Shed.

If you have any issues logging in then please contact your child's class teacher directly and they will resolve this for you. Further information about EdShed can be found on the following pages

Guide for Families

## Support Learning at Home

**In 3 easy steps,** create a supportive home learning environment for your child when they are prevented from going to school.

1

### Get Seesaw on Your Home Device

On a tablet or mobile device, download the Seesaw [Class app](#)  
On a web browser, bookmark [app.seesaw.me](https://seesaw.me)

**NOTE:** The Seesaw Class app is different than the Seesaw Family app. Students use the Class app to learn at home. Check to make sure you download the right app.

2

### Help Your Child to Sign In

Click 'I'm a Student'

Type the text code or scan the QR code provided by your child's school (Follow instructions at <https://seesaw.pub/signincode>)

**Don't have a code?** Your child may sign in with an email address or through Clever or ClassLink. Follow sign in instructions from your child's school.

3

### Support Your Child to Complete Activities

In the Class app, click the  Activities tab to see assignments

Click  to complete an Activity

Click the  Check to submit work

Watch a Class app tutorial at <https://seesaw.pub/GSVideos>

## Remote Learning FAQs for Families

### Why isn't my child's sign in code working?

Check to make sure: 1) You are in the **Class app** or on [app.seesaw.me](https://seesaw.me), 2) You clicked 'I'm a Student', 3) You typed the sign in credentials without errors and/or are holding the QR code far enough away so the entire code is scanned. If you continue to encounter problems, reach out to your child's teacher.

### Why does my child have multiple sign in codes?

Your child's teachers may be using the free version of Seesaw. Each code signs your child in to a different class. Your child needs to sign out each time they need to switch classes. We recommend hanging each code in your home learning space for easy access.

### What can students do in the Class app?

Students can use Seesaw Learning Tools to post to their Journal, respond to Seesaw Activities, and see comments from their teacher. They should not be able to see other students' work while at home. If your child can see other students' work, please alert the teacher.

### I have multiple children who need to use Seesaw. How can they share a device?

Your children will need to sign out each time they use Seesaw so the other can sign in. Print your child's sign in code or credentials and post them in your home learning space for easy access.

### Why can't students just use the Family app at home?

The Family app is for families to see their child's work and communicate with the teacher. Students cannot respond to Activities or post to their Journals from the Family app. Students must use the Class app to learn at home.

### How do I best support my child when learning from home?

Here are some student- and family-tested tips:

- + Create a distraction-free home learning space with your child:** Your child's focus is influenced by noise, conversation, electronics, and interest in the activity. Do your best to eliminate distractions.
- + Create a consistent routine for learning at home:** Routines make children feel safe, especially during times of change. Plan for 3-4 hours of learning time, since there are fewer transitions at home than there are in school. Make sure to build in time for movement, brain breaks, chores, and fun!
- + Know that you do not need to replace your child's teacher:** Provide encouragement, support, and positivity. Focus on your child's emotional health and relationships with others, and reach out to your child's teacher when your child needs academic support.
- + Look for learning moments in everyday life:** See the next page for ideas!

# MULTIPLICATION CHAMPION

TOP CLASS = CLASS 3H  
TOP MATHEMATICIAN =  
YUVAN SUNIL 2L

## Multiplication Challenge

Children in Year 4 need to complete a Multiplication Tables Check during the Summer 2<sup>nd</sup> Half Term.

Multiplication facts are needed in virtually all other areas of Mathematics therefore the more confidently children can recall these facts the easier they will find their Mathematics lessons as a barrier to learning is removed.

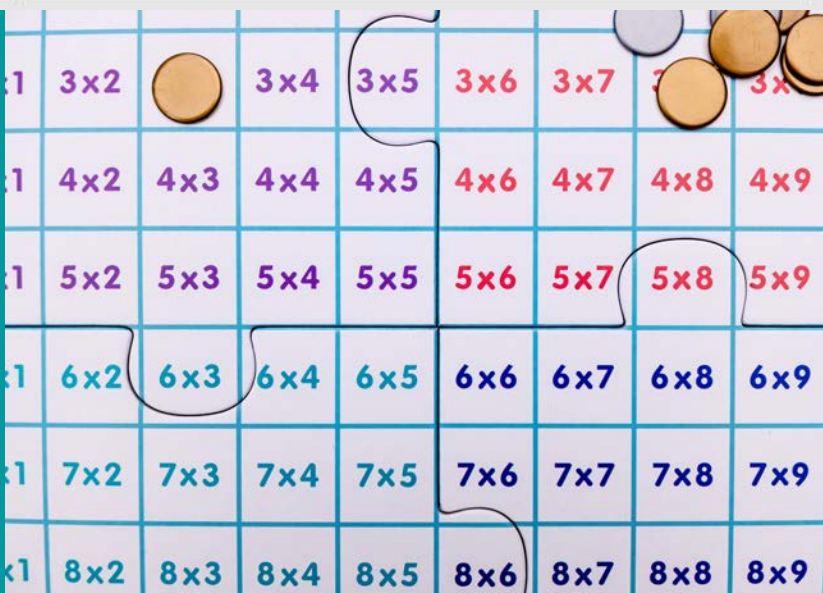

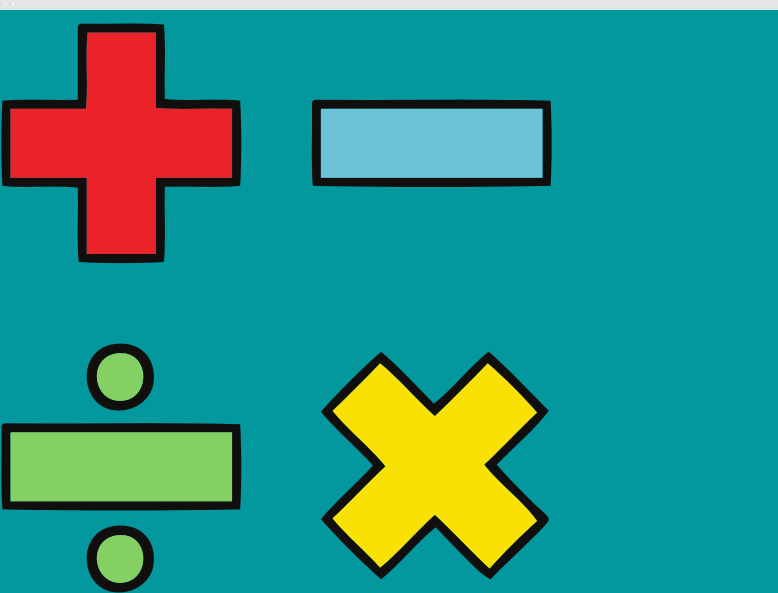

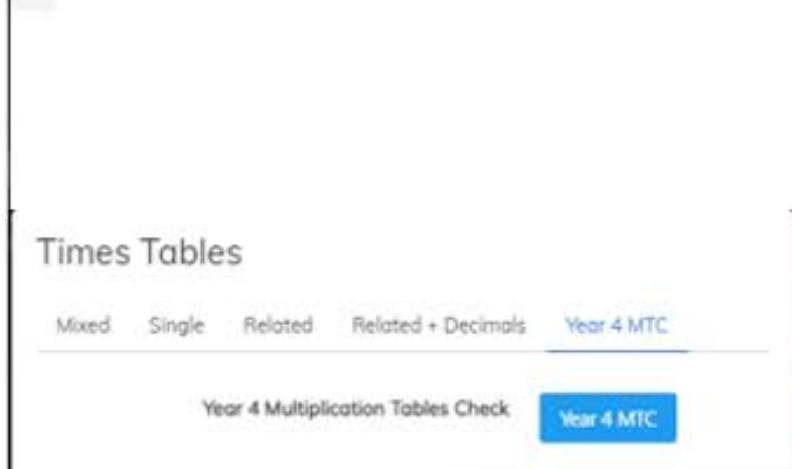

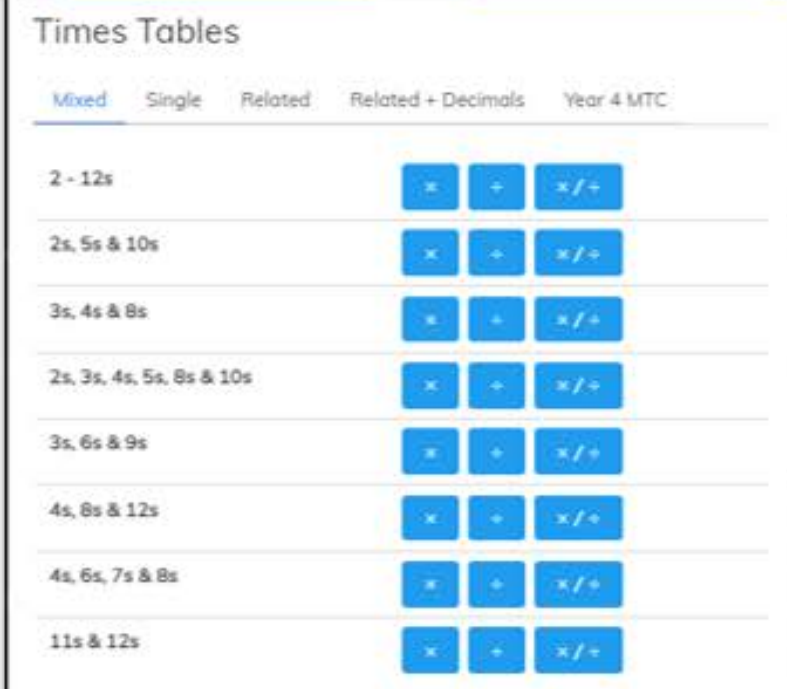

TO SUPPORT YEAR 4 IN THEIR QUEST TO RAPIDLY RECALL THEIR MULTIPLICATION FACTS WE WILL BE HOLDING A KS2 MULTIPLICATION CHALLENGE OVER THE NEXT THREE WEEKS.

PLEASE ENCOURAGE YOUR CHILD TO USE MATHS SHED ON A NIGHTLY BASIS TO PRACTICE THEIR MULTIPLICATION TABLES.

This can be found on Maths Shed. Click on Times Tables – your child can practice specific times tables that they do not know or attempt to improve their rapid recall by selecting Y4 MTC.

ON A FRIDAY WE WILL HAVE AN INDIVIDUAL WINNER FROM EACH CLASS FOR THE CHILD THAT HAS THE HIGHEST MATHS SHED SCORE AND A KS2 CLASS WINNER.

WE ARE SEARCHING FOR OUR KS2 MULTIPLICATION CHAMPION FOR KS2!

TOP CLASS = CLASS 3H  
TOP SPELLER =

# Spelling and Phonics Shed

Just a reminder that the Lunt's Heath PTA have funded a subscription for every child to not only Maths Shed but the platform which also includes Spelling and Phonics Shed.

During lockdown we have found that the children's spelling ability was greatly impacted as it was difficult to teach and test spellings virtually.

Spelling shed allows the children to practice their spellings for their age phase in a fun and interactive way through games.

Encourage your child to log into their account, select Spelling Shed or Phonics Shed. Choose their age phase and then they can choose the game type and level of challenge.
