

LUNT'S HEATH

News

Friday 28th April 2023

“The children have been enjoying the lighter and drier days this week – although not today ☹ - by taking Outdoor learning opportunities around our site. We have had various visitors to school this week who have commented on how well the children were engaged in all aspects of their learning, something we were all very proud to hear! This shows what a fantastic group of children we have! Enjoy the longer Bank Holiday Weekend! We will see you all on Tuesday 2nd May.”

Mr. D Paton, Heateacher.

NEXT TUESDAY 2ND MAY, IS CURRENTLY A SCHEDULED STRIKE DAY BY NEU. ALL OF OUR CLASSES WILL BE FULLY OPEN ON THAT DAY.

REMINDERS

As we are now into the Summer Term, we would like to give you a number of reminders:

Please make sure that your child is wearing full school uniform, unless it is their PE day.

The children can now be wearing Summer uniform but this should be accompanied with black school shoes not trainers.

If your child has pierced ears and is wishing to wear earrings these must be gold or silver studs, not gem stones or any other shapes.

Earrings must be removed on PE days as it is not safe to wear these for this lesson.

The children can wear their shorts and t-shirts for PE lessons during the Summer Term but should continue to wear jogging pants and jumper if it is cold. They should be wearing a blue sweatshirt not a hoodie for PE as this is not safe to wear for these sessions.

Please pay school dinner money in advance for the week ahead on the school gateway system.

PLEASE MAKE SURE YOU CHECK YOUR CHILD'S HOMEWORK DIARY ON A WEEKLY BASIS, RECORD THEIR READING AND HOMEWORK COMPLETION IN THERE AND SIGN AT THE END OF EACH WEEK.

EYFS KENYON HALL FARM - TUESDAY 2ND MAY

The children in EYFS will be going on their school trip to Kenyon Hall Farm on Tuesday 2nd May. They should come to school at the normal time wearing their school uniform. They will require a waterproof coat and a packed lunch for their trip in a disposable bag. A school packed lunch lunch can be provided if this has been requested on the completed Evolve. If you have not yet completed the Evolve then please do this as soon as possible. Parent volunteers for the trip have already been contacted directly.

WEBSITE PHOTOGRAPHS

On Friday 19th May we will be having new photographs taken for our school website so that these reflect our current school and the changes that we have implemented. However, we appreciate that not everyone would want their child to be featured on our school website. Therefore, we will be sending an Evolve this weekend to get permission for children to be included in these photographs and give permission for you to opt out if you would like.

CORONATION CELEBRATION - FRIDAY 5TH MAY

To celebrate the coronation of King Chales III, we will be holding a Coronation Picnic on Friday 5th May at school.

The children can come to school on this day wearing red, white and blue.

We aim to have a picnic lunch on this day. School dinners will be replaced with the picnic lunch menu featured later in the newsletter. Parents can pay for this school picnic lunch in the usual way on the school gateway system or bring their own Celebration Coronation packed lunch.

PTFA SUMMER DISCO

The PTFA are holding a school celebration disco for the children on:

Thursday 25th May = Key Stage 1 = 3.30pm - 5.00pm

Thursday 25th May = Year 5+6 = 5.30pm - 7.00pm

Friday 26th May = Year 3 + 4 = 3.30pm - 5.00pm

Please see later in the newsletter for more information.

POLLING DAY - THURSDAY 4TH MAY 2023

On Thursday 4th May 2023, our school will be used as a polling station.

ALL CLASSES will remain open on this day.

Class 5L's (Mr Moore) classroom will be used for polling and they will be taught in the hall during the day.

elyfs newsletter

Last week finished with a bang as we enjoyed our Rock Kidz day! The children had such a fun day and they looked AMAZING in their outfits so a big thank you for your support with that!

What did Jasper need to help his beanstalk grow?

! Our Big Question this week has been 'What did Jasper need to help his beanstalk grow?' We have enjoyed the story of Jasper's beanstalk, learning how he tended to his beanstalk on each day of the week before finally learning he had grown a huge beanstalk! We hope to watch the progress of our own bean plants and hopefully keep a diary as we watch them grow over the coming weeks.

Mathematics

In Maths this week the children have been counting forwards and backwards to and from twenty to help us with finding one more and less than quantities.

From there we have been working on 'first, then, and now' addition number stories.

In our Maths fluency sessions we have been revising our subitising and counting skills- the children are becoming very confident and speedy with this. We have then reflected on our work on even numbers and doubles by looking at how the even Numberblocks all have 'flat tops'.

Kenyon Hall Farm

A gentle reminder that our trip to Kenyon Hall Farm is on the 2nd of May (the first day back after the Bank Holiday weekend) where we will be participating in a growing and planting workshop as part of our current topic. If you have not yet completed the Evolve and cannot access it, please let us know.

Parents have been contacted via Tapestry if we require their help on the coach.

If your child is bringing a packed lunch from home please could you send it in a disposable bag, thank you.

We hope you enjoy a relaxing long weekend and we will see you on Tuesday ready for our trip!

THIS WEEK

YEAR 1

FIRE OF LONDON

WORKSHOP

To consolidate their learning this half term Year 1 had a Fire of London workshop on Friday from Past Productions Education Limited. As you can see below this brought the event to life by learning through drama and art.

THIS WEEK

YEAR 1 ART

This week the children have been representing features of the seaside through the use of collage. They have explored work by the artist Matisse and used various materials to create their images.

YEAR 2 PLANTING

Year 2 have enjoyed planting a bulb this week during science. We will be observing the changes over the next few weeks and looking at how they grow into a mature plant.

DISCO

Following our successful fundraising efforts we have decided to use some of the money we have raised to hold a disco for the children in the school hall. Due to the number of children in school these will be held as three separate events. If the children would like to attend we are asking for you to contribute £1 towards the cost of refreshments and the DJ. By making the payment this will enable your child's name to be added to the register for the event.

The KS1 and Year 3/4 disco will be held straight after school and the children should bring their party clothes with them to school on the day of the event. They will then get changed in their classes straight after school before attending the disco at 3.30pm-5.00pm.

They will need to be collected by an adult.

The Year 5/6 disco will be held later in the evening and the children will leave school at the normal time before returning to school at 5.30pm - 7pm.

The children do not need to bring any money with them as refreshments will be provided as part of the cost of the ticket. £1 should be paid on the school gateway system to book your child's place at their age phase disco.

THURSDAY 25TH MAY
KS1 = 3.30PM - 5.00PM

THURSDAY 25TH MAY
YEAR 5+6 = 5.30PM - 7.00PM

FRIDAY 26TH MAY
YEAR 3 + 4 = 3.30PM - 5.00PM

TINY MAVERICKS

eeee

This Week's Task

Today I'm going to share a story about how Jimmy turned his love of making videos into one of the biggest YouTube channels in the world!

Jimmy was a tiny maverick who loved watching videos.

He loved watching videos so much that he even decided to make them himself for other people to watch.

He decided to call himself MrBeast and would film videos every day.

Not many people watched his videos at first but he didn't let this stop him.

After a while, his audience grew and grew and grew.

Now, more than a 100 million people watch his videos!

That's enough people to fill Wembley Football Stadium 1000 times!

This Week's Activity

Create a YouTube Thumbnail

One of the reasons MrBeast is able to get lots of views on his videos is because of his YouTube thumbnails.

A thumbnail is the first thing people see when they're deciding what video to watch.

MrBeast designs his thumbnails so that they grab people's attention! He usually includes a picture of his face with a cool object behind him.

Today's activity is to create your own YouTube thumbnail. What will you include? What is your video about?

@year6bluntsheath

Your Task

Create a thumbnail or even your very own Mr Beast style video and tweet it to us!

MULTIPLICATION CHAMPION

TOP CLASS = CLASS 2L
TOP MATHEMATICIAN =

Multiplication Challenge

Children in Year 4 need to complete a Multiplication Tables Check during the Summer 2nd Half Term.

Multiplication facts are needed in virtually all other areas of Mathematics therefore the more confidently children can recall these facts the easier they will find their Mathematics lessons as a barrier to learning is removed.

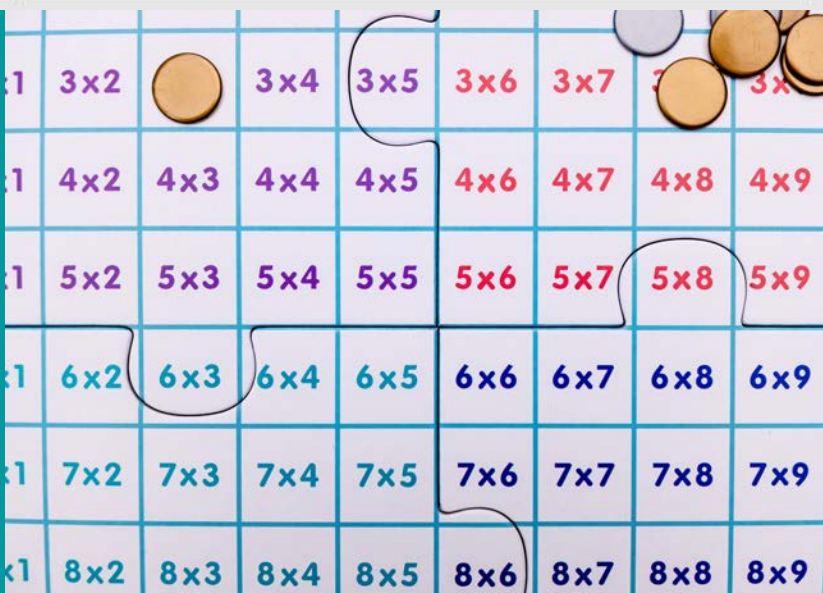

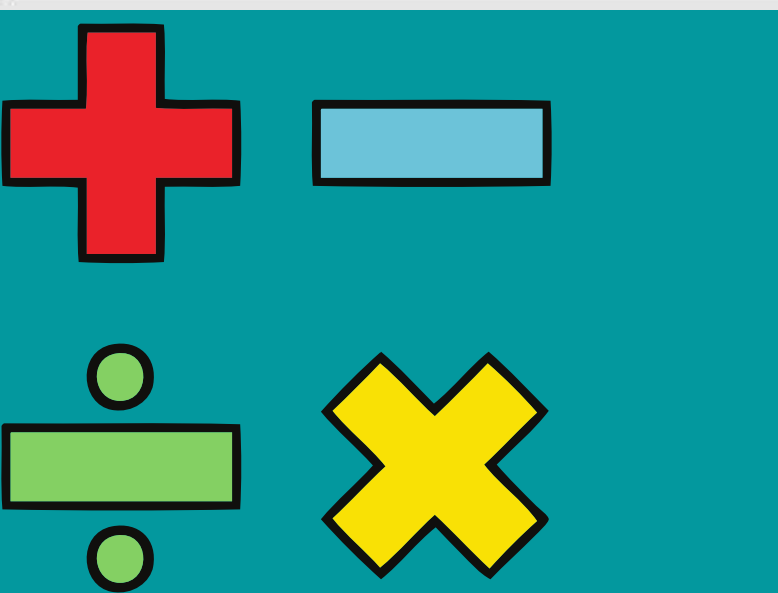

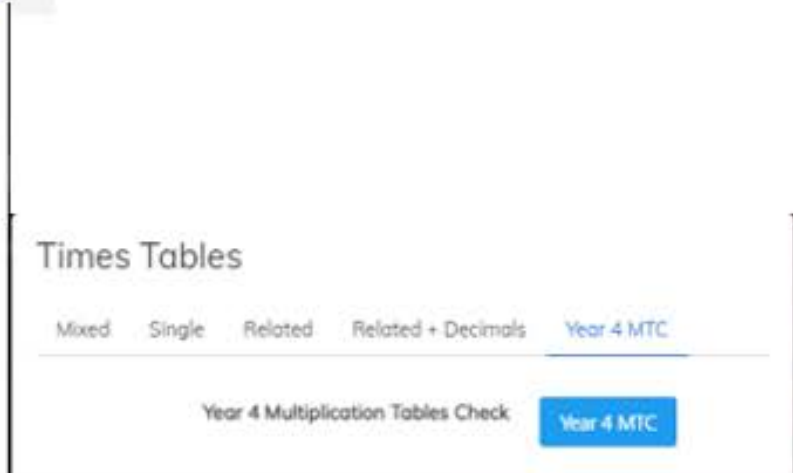

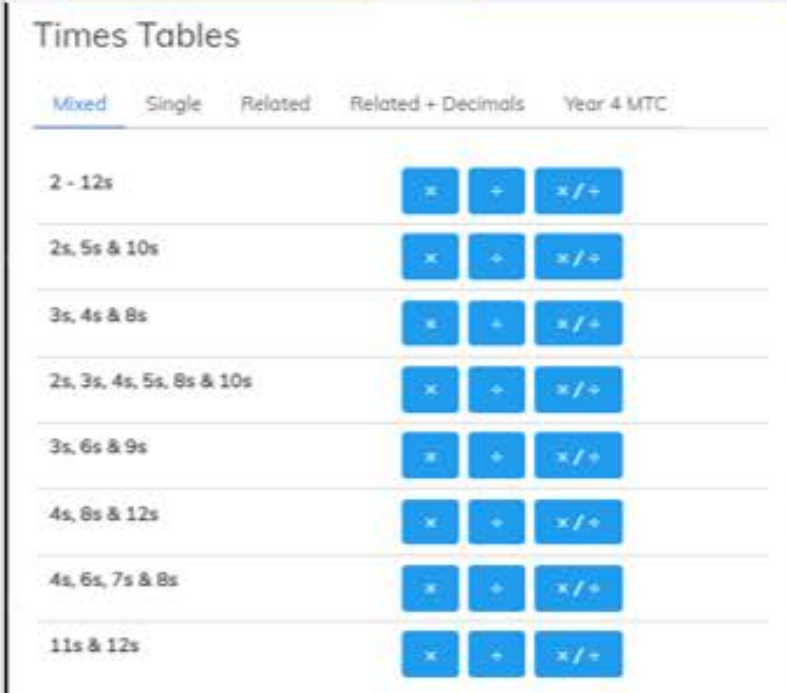

TO SUPPORT YEAR 4 IN THEIR QUEST TO RAPIDLY RECALL THEIR MULTIPLICATION FACTS WE WILL BE HOLDING A KS2 MULTIPLICATION CHALLENGE OVER THE NEXT THREE WEEKS.

PLEASE ENCOURAGE YOUR CHILD TO USE MATHS SHED ON A NIGHTLY BASIS TO PRACTICE THEIR MULTIPLICATION TABLES.

This can be found on Maths Shed. Click on Times Tables – your child can practice specific times tables that they do not know or attempt to improve their rapid recall by selecting Y4 MTC.

ON A FRIDAY WE WILL HAVE AN INDIVIDUAL WINNER FROM EACH CLASS FOR THE CHILD THAT HAS THE HIGHEST MATHS SHED SCORE AND A KS2 CLASS WINNER.

WE ARE SEARCHING FOR OUR KS2 MULTIPLICATION CHAMPION FOR KS2!

TOP CLASS = CLASS 5L
TOP SPELLER =
JAMES LATHAM 5L

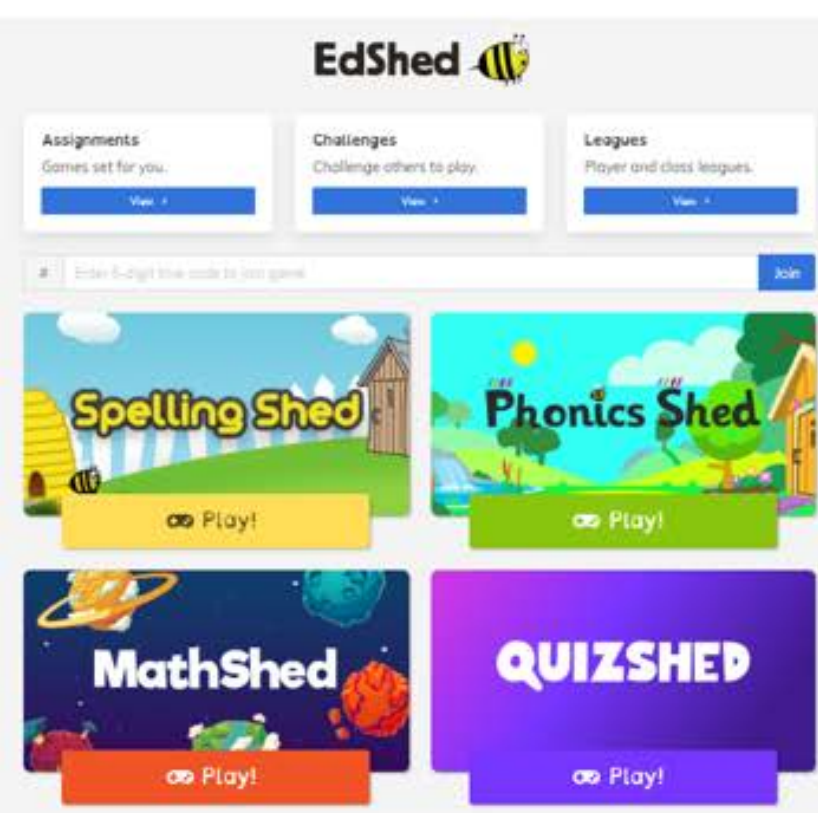

Spelling and Phonics Shed

Just a reminder that the Lunt's Heath PTA have funded a subscription for every child to not only Maths Shed but the platform which also includes Spelling and Phonics Shed.

During lockdown we have found that the children's spelling ability was greatly impacted as it was difficult to teach and test spellings virtually.

Spelling shed allows the children to practice their spellings for their age phase in a fun and interactive way through games.

Encourage your child to log into their account, select Spelling Shed or Phonics Shed. Choose their age phase and then they can choose the game type and level of challenge.
