Dear Parents / Carers,

## Reception admission September 2020

It gives me the greatest pleasure formerly welcoming you and your child to Lunt's Heath Primary School. We are delighted that you have placed your faith in us and thank you for making Lunt's Heath your preferred school option.

The lead up to a child starting school for the first time is very exciting; we look forward to getting started and forming a relationship together.

Each year, during the summer term, we host a series of information sessions for parents and induction sessions for children before joining us the following September. Although closed for the foreseeable future due to the national school closures, I want to reassure you that, as in previous years, we are making arrangements to continue with these important events. Once we have a clearer picture from the government about the time-scale for schools re-opening, I will write to you again with more information.

I very much look forward to meeting you and your child; in the meantime may I wish you good health.

Yours sincerely,
