## News

Friday 10th November 2023

**“ I am literally writing this in the middle of the night whilst we enjoy our sleepover with 4H at the Catalyst! We often talk about how we always aim to be the very best we can be and evenings like this really show the exemplary nature of Lunt's Heath. We have lots more exciting events before the Christmas break, so stay in touch! ”**

**Mr. D Paton, Headteacher**

### **YEAR 2 - CHANGE OF PE DAYS - TUESDAY AND THURSDAY**

Unfortunately, due to availability of the Cricket coach, we have had to change Year 2's PE lesson from a Friday to a Thursday. Therefore, starting next week the children in both Year 2 classes will have PE on a Tuesday and Thursday. We apologise for any inconvenience caused.

### **PTFA CAULIFLOWER CHRISTMAS CARD DELIVERY**

This week, we sent home the remaining items from our PTFA Cauliflower cards order of Christmas cards, wrapping paper and gift tags. Christmas mugs were sent home before the half term break. Unless your child has been absent from school, if you are still waiting on something you ordered then please contact Cauliflower cards directly with your order number.

### **MONDAY 13TH NOVEMBER - ODD SOCKS DAY**

Next week as part of our school 'Friendship Week' we will be celebrating our differences and uniqueness on Monday by wearing Odd socks. The children can make their odd socks as crazy and as vibrant as they like. During the week, we will be focussing on the friendships we have and how to be a good friend. We will learn about how to stay safe online and what we should do if anyone upsets us or makes us feel unhappy. See poster in the newsletter for further information.

### **PTFA MEETING - MONDAY 13TH NOVEMBER - 5.30PM**

**On Monday 13th November at 5.30pm the PTFA will be holding their next meeting. This will be held in Mr Hawkins classroom (3L), which is the classroom next to the school entrance and can be accessed via the front gate. They will be discussing lots of exciting forthcoming events for both children and adults.**

**Everyone is welcome, even if you just want to hear more but don't think you can make a long term commitment to joining the PTFA. We hope to see you there!**

### **YEAR 6 - WESTERN APPROACHES - WEDNESDAY 15TH NOVEMBER**

Year 6 will be going on a school trip to Liverpool Western Approaches and Wartime Bunker on Wednesday 15th November 2023. This trip will include a guided tour of the wartime bunker and a workshop. The children will learn about the impact of the war on the local area in line with our history topic. The children will be transported by coach, leaving school at around 9:15am and returning for dismissal at the usual time at the end of the day. Your child will require full school uniform with school shoes; a waterproof jacket; any medication needed during the day and a packed lunch in disposable paper/plastic bag clearly marked with your child's name (unless you have requested a school packed lunch). Please do not include their reusable water bottle within their lunch bags as these will be binned after the children have had lunch.

### **WEDNESDAY 15TH NOVEMBER - REC, Y2 AND Y5 DENTAL TEAM**

On Wednesday 15th November, the school health dental team will be in school to visit children in EYFS, Year 2 and Year 5. Parents have been contacted directly by the health team with further information regarding this visit.

### **SCHOOL REMINDERS**

Children should now be wearing their Winter uniform. This consists of school shirt and tie, grey skirt, pinafore dress or school trousers (not tailored shorts) and school jumper. For PE they should come into school wearing their outdoor PE kit of navy jogging bottoms and a navy sweatshirt with their green PE t-shirt. No hoodies please as these cause a risk during PE.

Please make sure earrings are gold or silver studs, no gem stones or other shapes. No other jewellery other than a watch is permitted. Hair bobbles and headbands should be green or navy.

The children should be wearing black school shoes unless it is their PE day.

Please make sure your child brings a waterproof coat with them every day as we will always aim to give the children the opportunity to play outside when we can. The children can bring a SMALL snack on a Friday, e.g. a Kitkat. Please remember we are a nut free school.

Has your child gone above and beyond to demonstrate one of our school values at home? Nominate them for a Value Award and we will surprise them in Celebration Assembly!

Nominate your child by sending an email with reason and supporting photo if appropriate to: [sec@luntsheath.halton.sch.uk](mailto:sec@luntsheath.halton.sch.uk)

# EYFS Newsletter

The children have settled back into school life after a very well-earned half term break!

## Phonics

This week the children have moved into their new, smaller Phonics groups where they will be working on their next steps on their journey of learning to read. Your child's Phonics teacher will have posted a little update on Tapestry of how you can support your child with their reading at home. We love to hear how they are getting on at home so please do leave a comment in their yellow reading diaries each time you read with them at home. Please use the following link to access more information and resources about our Phonics programme, Read Write Inc: <https://home.oxfordowl.co.uk/reading/reading-schemes-oxford-levels/read-write-inc-phonics-guide/> On this page there are links to videos which demonstrate how to pronounce the sounds and also how to support your child with blending the sounds to read the word.

## Maths

In our Maths lessons we have been thinking about time. We started the week by discussing the difference between day and night and what we typically do during each. We then moved onto sequencing familiar activities and the days of the week. Finally we considered which month of the year our birthdays fell in.

## Topic Lessons

In our Topic lessons we have enjoyed lots of seasonal activities. We started the week by exploring the use of chalk and oil pastels to create firework inspired artwork on black paper. We read a story about the Gunpowder Plot and looked for clues within the story and illustrations that told us the events took place in the past rather than the present. We also shared some examples of Autumn leaves, comparing their similarities and differences.

## Christmas

Now we are in November, Christmas will soon be upon us! We hope to be able to share details with you very soon about costumes for our Christmas performances which will take place in December. Please do check the 'Diary Dates' section of the newsletter for information on the different events happening in this very busy half term!

Have a wonderful weekend,  
The EYFS Team

## CLASS 4H - CATALYST SLEEPOVER

On Thursday night, the children in Class 4H, got to experience a night sleeping over at a museum. The thing every child dreams of doing. They spent the afternoon at the Catalyst Museum exploring the different floors, before taking part in a toothpaste workshop. After tea, it was fun and games before a film and bed. They got to see lovely views of the town lit up and the constant rain lulled them to sleep.

September 2023

[schooladmissions@halton.gov.uk](mailto:schooladmissions@halton.gov.uk)

Dear Parent/Carer,

## **STARTING PRIMARY SCHOOL – SEPTEMBER 2024 ADMISSION TO PRIMARY SCHOOLS FOR HALTON RESIDENTS**

If your child was born between 01/09/2019 and 31/08/2020, or if you requested a deferred entry to primary school and that has been agreed for your child for September 2024, they are eligible to commence Primary School in September 2024. We are pleased to advise that the Admission to Primary School 2024 booklet which explains the arrangements is available online at [School admissions website](#)

It is highly advised that you read this booklet, and then complete the online application available at [School admissions website](#). If any of your preferred schools are in other local authority areas you will need to visit their websites for details on the admission policies and oversubscription criteria. If you are unable to apply online, then please email the School Admissions Team, or drop into one of the Halton Direct Link Offices to obtain a form.

The timetable for Primary School admissions is as follows:

<b>September 2023</b>	Admission to Primary School booklet available online. Online applications open
<b>15<sup>th</sup> January 2024</b>	Closing date for receipt of preference forms and online applications
<b>16<sup>th</sup> April 2024</b>	Notification of outcome of preference available online, to those who applied online, and letter posted to parents of paper applicants
<b>16<sup>th</sup> May 2024</b>	Closing date for submission of intention to appeal

You should read the booklet carefully, and think about how your child's application will be considered against each of your preference school's oversubscription criteria before indicating that school as a preference. Failure to submit an application may result in the Local Authority being unable to allocate a place for your child at your preferred school.

It is important that you make as many preferences as possible (up to the maximum of 3) to increase your chances of being offered a school of your preference. It is sometimes not possible to offer any of a parent's preferred schools and in these circumstances your child will be allocated a place at the nearest school with vacancies by the Local Authority. However, this will not affect your right of appeal to an independent appeals panel against the decision not admit your child to your school(s) of preference and details on these procedures will be given to you at that time. If you require any further information please contact a member of the School Admissions Team on the telephone numbers above or by email.

**Please note: There is no first-come-first-offered basis for applications.** All applications received are considered against the oversubscription criteria for the school. The important thing to do is to make sure that you complete the online application, or submit a paper application form on-time, **before the deadline of 15<sup>th</sup> January 2024**. Failure to do so will result in your application being considered as late, and this may harm your chances of being offered the school you prefer. Schools will be holding open day/evening events over the coming months and you should contact your preference school(s) directly for further information.

If your child has an Education, Health and Care Plan (EHCP) you should contact your child's SEND Coordinator to discuss their application and you do not need to make an application as this will be coordinated by the SEND Team.

If you've received this letter and your child does not live in Halton please contact your local authority for details on their scheme and make your application to your home local authority, even if you wish to make preferences for Halton schools.

Yours sincerely,

Halton School Admissions Team

Join us for our online parent/carer workshops:

## SLEEP & SCREENS

**Did your children sleep well last night?** In this session we will explore how the length and quality of sleep can affect us and our children. Pick up new tips and ideas to promote good quality, restful sleep. We will also look at how screens affect our children, and share ideas for managing screen time better.

## FUSSY EATING & SNACKING

**Are your mealtimes stressful?** It's easier said than done to get children to try new foods. In this session we will share tips and techniques to encourage your child to eat more variety. We will also talk through the steps to food acceptance. We'll share healthy snack ideas as we look at alternatives to sugary snack favourites.

## PHYSICAL ACTIVITY & SUGAR

**Would you like to be more active as a family?** Children love to be active but as they grow, their attitudes towards physical activity may change. We have some great tips and information on overcoming barriers, how sugar affects our body and the effects caffeine has on our brains.

These workshops are for parents and carers. Choose from the following sessions:
