LUNT'S HEATH PTFA Newsletter

Happy New Year! We hope you've enjoyed some snugly winter hibernation time with your families and have taken life's pace down a notch—as nature intended! We've eased slowly into January with the Cookie Catchup upon return (& seemingly positive feedback from the little'ns!) but we'll be springing into bloom with the seasons over the coming months, with a number of fun and wholesome events coming up. Also, after working closely with the school, we have proposed to invest our current funds from you lovely lot into two exciting school advancements (see below). All being well, some work is due to commence in the February holidays for one of the projects too. Aside from events and funding, we want to breathe some new energy into the PTFA so read on for info about our commitment-free volunteer group and our new social media pages. All that's left is to wish you a wonderful half term break, full of memory making and fun. Love from your ever-thankful PTFA x

SENSORY CORRIDOR

We are thrilled to have agreed a phased funding of £10k for the longer-term creation of an incredible sensory corridor. It will be centralised within the school, for all children to benefit from. The first £2.5k instalment will help the project to commence during the February holidays (image is only to give a loose visual of what to expect—but better!)

We are also very excited to be funding £2.5k towards the creation of a playground shelter/hut for the infants playground, built over the summer holidays. We intend to use future funds towards a second for the junior's playground too (again, image just as a guide)
