

LUNT'S HEATH

News

Friday 22nd March 2024

“ As we end our last full week of the Spring term, our second group of year 5s are spending the night at Space Camp. I say every week, that school is all about giving the children experiences, and this is what we continue to give all of our children in each year group. The staff will be working hard to continue to give all of our school community these great opportunities. Have a lovely weekend.”

Mr. D Paton, Headteacher.

MENU CHANGE FOR NEXT WEEK

As next week is our final week before the Easter break and our final week with our school meal service provider there have been some changes to next week's menu. As the children love Fish Finger and Pizza Friday, Mrs Skilky has kindly squeezed this in for one last time on WEDNESDAY next week. Please see later in the newsletter for next week's menu and for information about our new menus, which will begin after the Easter break.

LEARN TO RIDE - BIKEABILITY

CLASS 3H = MONDAY 25TH MARCH / CLASS 3L = TUESDAY 26TH MARCH

The children in Classes 3H and 3L will participate in their Bikeability - Learn to Ride sessions on either Monday 25th March or Tuesday 26th March. This is a learn to ride session so the children do not already need to be able to ride a bike as this will be taught during the session, however please make sure that all stabilisers have been removed from bikes to enable this lesson. The children involved should come to school wearing their outdoor PE kit and a waterproof coat and gloves as the training will still go ahead in inclement weather. They will need a cycle helmet to participate in the session. Please contact Miss Fazackerley if you need a bike to be provided.

The children will only require their bikes on the date indicated.

KEY STAGE 2 = LEARN TO RIDE - BIKEABILITY

If your child is in Key Stage 2 and could not participate in their class Bikeability session as they could not ride a bike then they will have the opportunity to learn during the learn to ride sessions on Monday 25th March or Tuesday 26th March. Please email Miss Fazackerley directly: reina.fazackerley@luntsheath.halton.sch.uk if you would like your child to be included in this session.

TUESDAY 26TH MARCH - YEAR 5/6 EASTER SERVICE = 9.30AM

On Monday 25th March the children in Year 5, will be walked by school staff to St Luke's to practice for the Year 5 Easter Service,
(Year 6 will be singing in the service and will attend on Tuesday).

The children will perform their Easter Service at church on Tuesday 26th March at 9.30am. Parents and carers of children in Year 5 are invited to this performance.

EYFS = LEARN TO RIDE - BALANCE BIKES

RH - WEDNESDAY 27TH MARCH / RL - THURSDAY 28TH MARCH

As part of our final whole school bikeability sessions, the children in EYFS will be given an introductory session into bike riding. The children involved should come to school wearing their outdoor PE kit and a waterproof coat and gloves as the training will still go ahead in inclement weather. Balance bikes will be provided for the sessions, however if your child has their own bike they can bring this to school on this day to use. Please make sure you have completed the Evolve you were sent so that your child can participate in the session.

WEDNESDAY 27TH MARCH - YEAR 6 CATHEDRAL VISITS

On Wednesday 27th March the children in Year 6 will be visiting both the Anglican and Metropolitan Cathedrals. The children should come to school wearing full school uniform and will require a waterproof coat as they will be walking between the two cathedrals. They should bring a packed lunch in a disposable bag so this can be binned after they have eaten. They should not bring their reusable water bottle as this will then become something they need to carry rather than dispose of. If your child requires a school packed lunch then please contact the office on Monday to order one.

HOUSE DAY - THURSDAY 28TH MARCH

On Thursday 28th March, we will have our end of term House Day. The children should come to school wearing their school uniform replacing their shirt and tie for their house coloured t-shirt. During the day the children will be completing a number of activities based around our school values of ambition, enterprise, inner resilience, collaboration and understanding.

EXTRA CURRICULAR ACTIVITIES - SUMMER TERM

Places can be booked on Extra Curricular activities from Friday 22nd March at 6pm for the Summer Term. Initially places will be restricted to one place per child. However on Monday we will reopen the booking system to fill any remaining places. See attached club letter within the newsletter.

Has your child gone above and beyond to demonstrate one of our school values at home? Nominate them for a Value Award and we will surprise them in Celebration Assembly!

Nominate your child by sending an email with reason and supporting photo if appropriate to: sec@luntsheath.halton.sch.uk

Our OTIS programme (On Time, In School) is designed to promote the importance of this. Even being 5 minutes late each day across a year equates to 15 hours lost learning. School has remained open from 8:35am to ensure that children can access easily.

Holidays in term time cannot be authorised unless it fills the criteria in the Leave of Absence policy. Please keep this in mind when considering any holiday booking.

NEW MENU

15.4.24

We will move to Edsential from
15th April 2024.

The company are Cheshire-based and provide a wide range of schools across the North West with lunches already ([https://edsential.com/catering/.](https://edsential.com/catering/))

As a sustainable company, Edsential are committed to reducing food waste, but increasing the choice to parents and children. Currently, if a child does not prebook their meal on, they can still choose this right up to the point of arrival at the serving hatch in school. This will no longer happen from April. Our cost will be at the same new price of Halton's at £2:90 per day.

All school meals **MUST** be booked in advance. This is to ensure that all portions are correctly sized and that children have the opportunity to enjoy the meal that they want.

Very often, children not booking meals in advance impact on those who have and this is something we are looking to change.

For children in Reception and in Years 1 and 2, you will have to follow the same process to book on. Even though your child accesses UiFSM (Universal Infant Free School Meals), they must be booked on. You will not be charged for these choices as these meals remain free for infant children. The system will recognise this.

How do we book on?

EYFS Newsletter

What a busy week we have had in Reception! We have had special parent visitors every day to watch how amazing we are in our phonics and mastering number lessons. Thank you for coming and we hope you found the sessions beneficial. We know the children were so happy for you to see them 'in action' in school.

Drawing Club'

In drawing club this week we have been reading the story of 'Penguin' by Polly Dunbar. The children were excited to draw and write about what food they could give to the lion to eat. We have learnt lots of new vocabulary with the actions to remember some extraordinary words.

Mathematics

In Maths this week the children have been exploring 2D shapes in more depth by learning to recognise and name them in different orientations, describing their properties to 'guess the mystery shape' and creating pictures using Tangrams.

Snack Money

As we enter into the Summer Term, we are asking for a £6 contribution for the term to the snack that we offer the children on a daily basis. During the Summer Term, this will be extended to give the children the opportunity to cook and bake. Contributions of £6 per child can be made via the school gateway. Thank you.

D.T.

This week for topic we have been learning lots of new fine motor skills by creating with different materials. The children have tried their hardest to thread a needle with a long length of wool and weave this through a piece of hessian. Well done Reception!

We hope you have a lovely weekend!

CLASS AMBASSADORS

1L

We showed the school value enterprising during a science activity. We were given materials including wool, tissue and paper and we had to find out which material was the most absorbent using slime.

My group's prediction was correct, tissue was the most absorbent.

1H

We worked in small groups to improvise our song in Music this week.

We played tuned and untuned instruments musically!

CLASS AMBASSADORS 2L

In music this week we have discussed Marvellous Musician words like tempo and dynamics. We then listened and appraised another reggae song and played our class song Zootime on the glockenspiels. What a fun lesson!

2H

In Geography we have been learning about the Maasai tribe and what their culture is like. We made little books to show the facts we have learnt.

CLASS AMBASSADORS 3L

Our ambassadors thought that taekwondo was the highlight of the week! We did dodgeball to keep our reactions sharp and practiced our kicking skills. We also demonstrated great teamwork!

3H

This week we were enterprising in our Outdoor Learning sessions to try and solve a problem.

CLASS AMBASSADORS 4L

This term we have been developing our Hockey dribbling skills and this week, we used circuits to put our skills to the test.

4H

Physical Literacy developing our creativity and participation skills.

We had fun singing and using actions about how we use inverted commas and punctuation in speech.

CLASS AMBASSADORS 5L

During our planetarium visit this week, we improved our understanding by finding out that when you gaze at the stars in the night sky, you're looking into the past! This was difficult to comprehend, however we collaborated to make prior links to our learning, realising that this is due to how light travels and how far away the stars are.

5H

This week in DT we designed our own stuffed toys. We used felt and stitching skills. We used templates to make each side even.

CLASS AMBASSADORS 6L

This week, in our DT lessons, we have been creating our own 3-course meals. This has involved us chopping, frying, baking and of course...tasting!

6H

Year 6 have been experimenting with different foods to access all of their 5 food flavours: bitter, sweet, salt, sour and umami. As you can see from the pictures, some were more of a hit than others!

THIS WEEK

YEAR 3 - OUTDOOR LEARNING

3H demonstrated wonderful collaboration in the woodland today! Teams of children collected 30cm long sticks then used them to build the tallest tower possible that would hold the weight of a full bottle of water. Everyone was enthusiastic and showed great ambition, celebrating success and turning disappointments into towering triumphs! Well done 3H!

THIS WEEK

YEAR 3 - TAEKWONDO

Year 3 have really been enjoying their Taekwondo sessions with Suzanne their instructor.

This week they all applied the kicks they had learnt to break a 'piece of wood' successfully (even Mr Hawkins).

THIS WEEK

YEAR 2 - MINIBEAST HUNT

Year 2 applied their knowledge of animals and their habitats in this week's Science lesson. They completed a minibeast hunt in the school woodland and recorded the animals they found and where.

THIS WEEK

KS1 MULTISKILLS CRICKET EVENT

A group of children from Year 1 and 2 had a fantastic time at a multiport cricket taster session run by Halton School Games on Thursday this week. They participated against other skills and developed a number of fundamental skills that they can apply to the game moving forwards.
