News

Friday 14th June 2024

“ I can best describe this week as the QUIET BEFORE THE STORM! We are in for a roller coaster of a last 5 weeks of the school year, with still so much that we wish to achieve. The children have been working so well to ensure that not only is everything complete, but we are in a position to start September 2024 with a bang! Please keep a close eye on our calendar of events so you all know what is coming up. This all begins next week with trips out of school for KS1, Parents Evenings and the Euros! Have a lovely weekend,”
Mr. D Paton, Headteacher.

LUNT'S HEATH CAREERS' DAY

Dear Parents/Guardians,

Firstly, I would like to thank our previous Careers Day volunteers for sharing your careers and experiences with our children. Your participation and enthusiasm over the past two years has been invaluable and I am delighted to announce that on **Monday 8th July 2024**, Lunt's Heath will be hosting our third "Careers Day." We hope this exciting opportunity will provide our children with information about the importance of education, pursuing further education and ultimately the stepping-stones to achieve their desired careers. In addition, all children will experience a variety of occupations that may be unfamiliar to them and give them the chance to explore each career and ask questions to our company representatives.

The children are being asked to come to school on this day to 'Dress for Success' - attire linked to their future aspirations (example: doctor, lawyer, nurse, teacher, fireman, police, scientist, vet, football player etc)! However, we cannot do this without you! We appreciate that our parents are valuable members of our school community and we encourage you to be involved with this highly beneficial experience too.

If you, a family member, or friend is interested in volunteering to speak about your own pathway to your desired career choice, please email Miss Cameron (claire.cameron@luntsheath.halton.schuk) providing the below information or alternatively complete the form below and send it to school with your child by **Friday 24th May 2024**. Volunteer selection will be on a first-come basis. Bringing stress balls, pencils, or other work-related freebies for pupils will keep children engaged. If you have any questions, please feel free to contact Miss Cameron.

With your continued support, we look forward to another memorable event!

Yours Sincerely

Miss Cameron

VOLUNTEERS NEEDED MONDAY 8TH JULY

On Monday 8th July, we will be holding our annual careers day. We would love it if any of our parents or carers are available to come into our school to discuss their career with our children and inspire them for the future. Holidays in term time cannot be authorised unless it for fills the criteria in the Leave of Absence policy. Please keep this in mind when considering any holiday booking.

We are asking for parent nominations of pupils who have demonstrated one or more of our Lunt's Heath Values at home:

- Ambition
- Enterprise
- Inner-Resilience
- Collaboration
- Understanding

We love to hear about how our children fulfil our school values in their everyday lives. Here are this week's Community Value Award winners:

Evelyn for showing Ambition and Inner-Resilience

Evelyn took part in a drama festival in Liverpool this weekend.

She had to perform a set poem, a solo acting piece and a solo musical theatre song in front of judges and a large audience.

Evelyn showed inner resilience against strong competition and her ambition and drive helped her score over 90 out of 100 in all three pieces, meaning she got outstanding which is the highest grade there is. She also placed 2nd in two out of three categories.

Well done to Evelyn
We are so proud of you!

Maisie for showing Collaboration

After winning the qualifying group in Hereford 3 weeks ago, Maisie represented Cheshire at the 10u County Cup Finals played at the Wirral over the weekend.

Along with Lancashire, Yorkshire, South Wales & Durham the team of girls competed in a number of singles and doubles matches through 2 long days of play. Throughout this they supported each other brilliantly on and off court.

At the end of the weekend Cheshire finished runners up behind a strong Lancashire Team, with Maisie winning 5 of her 7 matches.

Newsletter

Another week has flown by in Reception with lots of new learning and activities in the continuous provision that the children have accessed. Thank you to all parents who came to watch RH's assembly on Friday. RL's class assembly is on the Friday 28th June.

What did Jasper need to help his beanstalk grow?

Our Big Question this week has been 'What did Jasper need to help his beanstalk grow?' We have enjoyed the story of Jasper's beanstalk, learning how he tended to his beanstalk on each day of the week before finally learning he had grown a huge beanstalk! We hope to watch the progress of our own bean plants and hopefully keep a diary as we watch them grow over the coming weeks.

Mathematics

In Maths this week we have been working on our understanding of capacity. We have recapped our knowledge of vocabulary to describe capacity then have been measuring and comparing the capacity of different containers using non-standard measurements.

Visit to St Luke's Church

On the morning of Monday 17th June, we will be taking each of the classes to visit St Luke's church as part of our learning in R.E. During our visit we will learn about the features of the church building and what happens during different ceremonies. Thank you for everyone who has offered to volunteer already. Please look out for and complete the Evolve for the trip this weekend.

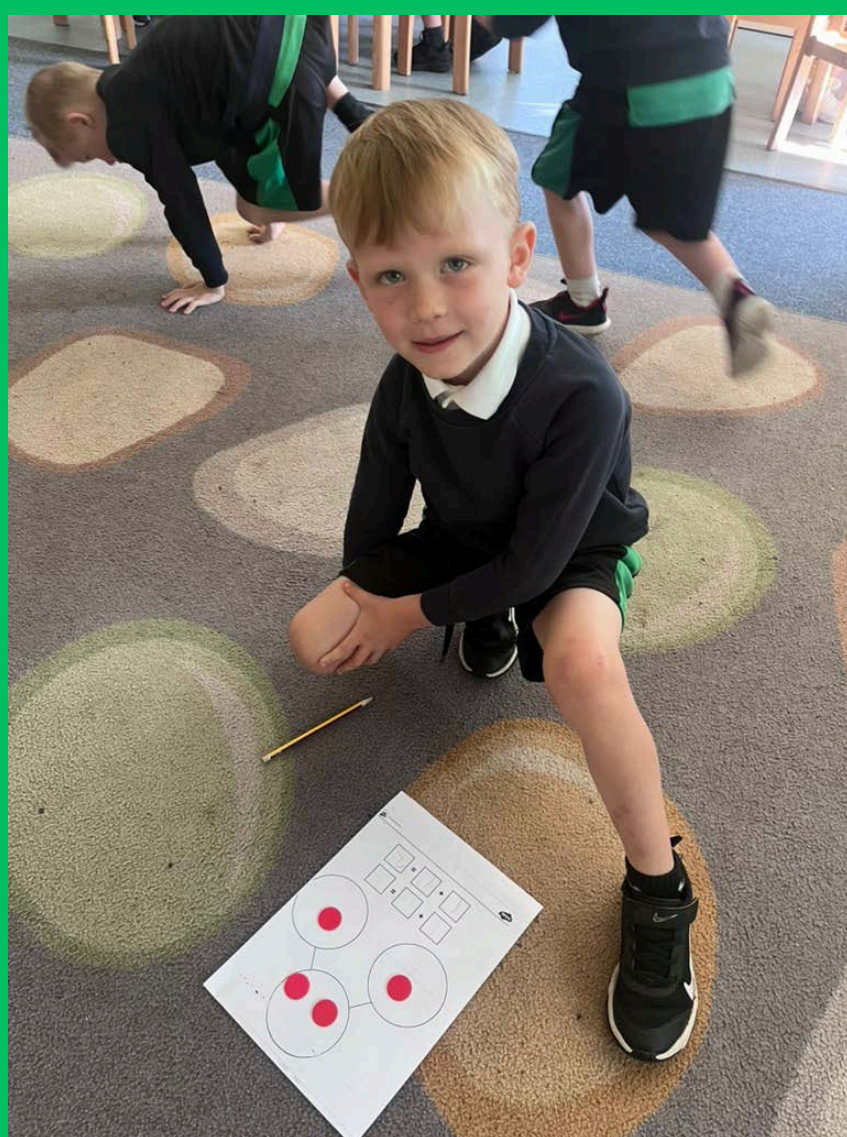

Drawing Club

In Drawing Club this week we have been looking at the animation of 'Willo the Wisp'. The children have used their imagination to draw the characters, setting and adventures within the story line. We had to think of what Evil Edna would turn us into with her magic spells. The children are showing such confidence in using their phonics knowledge to write about and describe their creations!
