

LUNT'S HEATH

News

Friday 28th June 2024

“ As we close our week together, it has been lovely to reflect on how fantastic our year 6 children have performed over the past two nights in their production of ‘Porridge.’ They have displayed all of our school values and ensured that they were magnificent! Next week, our children will be working with their new teachers in their new classes – another step forward in our progression as a school. I hope that as many of you as possible can attend our Summer Fayre this Saturday, from 12pm to 3pm.”

Mr. D Paton, Headteacher.

PARENTS' CONSULTATION SURVEYS

Following our Parent Consultation Meetings last week in EYFS - Y5, we would really appreciate it if you could take the time to complete the Evolve surveys which will be sent to you this weekend, to provide feedback about the school and our next steps. These will close and be collated on Sunday at 12pm.

PUPIL INFORMATION SHEETS

At half term, you were sent pupil information sheets via Evolve. These Evolve forms contain information that will be vital to your child's new class teacher for the year ahead. We would appreciate if you could take the time to provide this information for your child so it can be passed on to your child's class teacher prior to transition next week. We have resent the Evolve forms to your email.

TRANSITION DAYS - MONDAY - WEDNESDAY

Next week we will have our whole school transition days on Monday to Wednesday. On Monday the children should be dropped off and collected from their current classroom. On Tuesday and Wednesday, the children should be dropped off and collected from their new classrooms, please see letter sent earlier in the week for clarification. During collection on Tuesday and Wednesday, we will be holding drop in sessions for parents to meet their child's new class teacher and to see their new classroom. Just to clarify, during our transition days next week Monday-Wednesday, the children should come to school wearing whatever they would normally wear for their year group on those days. If your child would usually have PE on one of those days they can still wear their PE kit on that day, otherwise they can wear uniform as usual. Extra swimming lessons for those children who usually go swimming on a Monday will take place as usual, so please send your child to school with their swimming kit.

When the current Year 6 return to school on Wednesday 3rd July they will be taught for the day in the school hall.

POLLING DAY - THURSDAY 4TH JULY

On Thursday 4th July, the school will be used as a polling station. The school will remain open on this day. Mrs Povey's classroom will be used for polling and the children in Class 3H will be taught in the hall on Thursday.

CAREERS' DAY - MONDAY 8TH JULY - VOLUNTEERS REQUIRED

We will be holding our annual careers' day on Monday 8th July. We would be extremely grateful if any parents or family members were willing to come to school to talk to the children about their careers, as they love hearing about what they can do when they are older and asking questions about possible future careers. Please see later in the newsletter for more information or the letter attached to your email.

LUNT'S HEATH CAREERS' DAY

Dear Parents/Guardians,

Firstly, I would like to thank our previous Careers Day volunteers for sharing your careers and experiences with our children. Your participation and enthusiasm over the past two years has been invaluable and I am delighted to announce that on **Monday 8th July 2024**, Lunt's Heath will be hosting our third "Careers Day." We hope this exciting opportunity will provide our children with information about the importance of education, pursuing further education and ultimately the stepping-stones to achieve their desired careers. In addition, all children will experience a variety of occupations that may be unfamiliar to them and give them the chance to explore each career and ask questions to our company representatives.

The children are being asked to come to school on this day to 'Dress for Success' - attire linked to their future aspirations (example: doctor, lawyer, nurse, teacher, fireman, police, scientist, vet, football player etc)! However, we cannot do this without you! We appreciate that our parents are valuable members of our school community and we encourage you to be involved with this highly beneficial experience too.

If you, a family member, or friend is interested in volunteering to speak about your own pathway to your desired career choice, please email Miss Cameron (claire.cameron@luntsheath.halton.schuk) providing the below information or alternatively complete the form below and send it to school with your child by **Friday 24th May 2024**. Volunteer selection will be on a first-come basis. Bringing stress balls, pencils, or other work-related freebies for pupils will keep children engaged. If you have any questions, please feel free to contact Miss Cameron.

With your continued support, we look forward to another memorable event!

Yours Sincerely

Miss Cameron
Year 2 Teacher

(Design and Technology Lead)

Name: _____
Child's Name: _____
Class & Teacher: _____
Occupation: _____
E-Mail Address: _____
Phone Number: _____

Please provide a brief description of your occupation. This information will be shared with pupils prior to Career Day, so they have some insight in who will be speaking on the day. Thanks!

VOLUNTEERS NEEDED MONDAY 8TH JULY

On Monday 8th July, we will be holding our annual careers day. We would love it if any of our parents or carers are available to come into our school to discuss their career with our children and inspire them for the future. Please see above letter that has been emailed to you and share with any family members that you think may be available to help.

STARS OF THE WEEK

Is your child a true Lunt's Heather?

- Ambition
- Enterprise
- Inner-Resilience
- Collaboration
- Understanding

Has your child gone above and beyond to demonstrate one of our school values at home? Nominate them for a Value Award and we will surprise them in Celebration Assembly!

Nominate your child by sending an email with reason and supporting photo if appropriate to: sec@luntsheath.halton.sch.uk

Our OTIS programme (On Time, In School) is designed to promote the importance of this. Even being 5 minutes late each day across a year equates to 15 hours lost learning. School has remained open from 8:35am to ensure that children can access easily.

Holidays in term time cannot be authorised unless it for fills the criteria in the Leave of Absence policy. Please keep this in mind when considering any holiday booking.

OTIS AWARD WINNERS

Whole School Attendance target for 2023-2024 is 96%.

Last year was 95.4%

Attendance since 4th Sept = 95%

Attendance this week = 96.5%

The highest so far this year!

It is vital that we maintain a high attendance rate to ensure that children maximise their time in school.

Attendance Winners this week:

EYFS / KS1 = 98.9% - Miss Walters, 2H

KS2 = 99%, Mrs McIlhagga, 4H

LUNCHTIME STARS

We are asking for parent nominations of pupils who have demonstrated one or more of our Lunt's Heath Values at home:

- Ambition
- Enterprise
- Inner-Resilience
- Collaboration
- Understanding

We love to hear about how our children fulfil our school values in their everyday lives. Here are this week's Community Value Award winners:

Charlotte for showing Collaboration and Inner-Resilience

Charlotte completed Junior Warrior in Leeds last weekend completing a 3k race with 15 obstacles through mud and water. Including muddy mayhem, canopy climb and slideaway. Charlotte was the youngest member of the team competing and managed to keep up and support her team members so they all finished together.

This is Charlotte's 2nd year completing the race and she's already looking forward to next year. Well done Charlotte!

EYFS Newsletter

Another week has flown by in EYFS and what a busy one it has been! On Thursday we went on the double decker bus to Kenyon Hall Farm! What a lovely morning we had collecting lots of strawberries and enjoying an educational walk around the farm seeing the chickens, berries and barley wheat fields. In the afternoon we enjoyed a lovely afternoon tea with scones, cream and the strawberries we had picked. Thank you to everyone who came to volunteer the children had such a great day and so did we!

Mathematics

In Maths this week we have been learning about data handling. We have explored, created and interpreted data from pictograms and have also discovered how tally marks can help us when gathering data too.

Would you rather?

This week in drawing club our focus has been on story 'Would you rather?' by John Burningham. This has sparked creativity, imagination and discussions between their class friends. Would you rather eat sweets or snails? The children have been applying their phonic knowledge fantastically. We are so proud of them!

Summer Fayre = Saturday 29th June = 12-3pm

On Saturday 29th June, we will be holding our PTFA Summer Fayre between 12-3pm. Each class will have their own stall to visit that will be cash only stalls and the PTFA have a number of stalls such as tombolas, cakes, and tuck shop. It will be fun for all the family. Please come and support us and tell your friends and family.

Thank you to everyone who attended RL class assembly on Friday. Next week is transition week on Monday, Tuesday and Wednesday. The children should come to EYFS on Monday. On Tuesday and Wednesday they will go straight to their Year 1 classroom and be collected from there. Have a lovely weekend everyone!
Have a great weekend! The EYFS Team

CLASS AMBASSADORS

RL

Our class ambassador trying her hardest to write as much as she can each morning.

RH

We did our first sports day!

CLASS AMBASSADORS 1L

We have learnt how to take a video and record our friends sharing some news, just like news presenters. We enjoyed sharing news about sports week.

1H

We went on a minibeast hunt during our Science lesson!

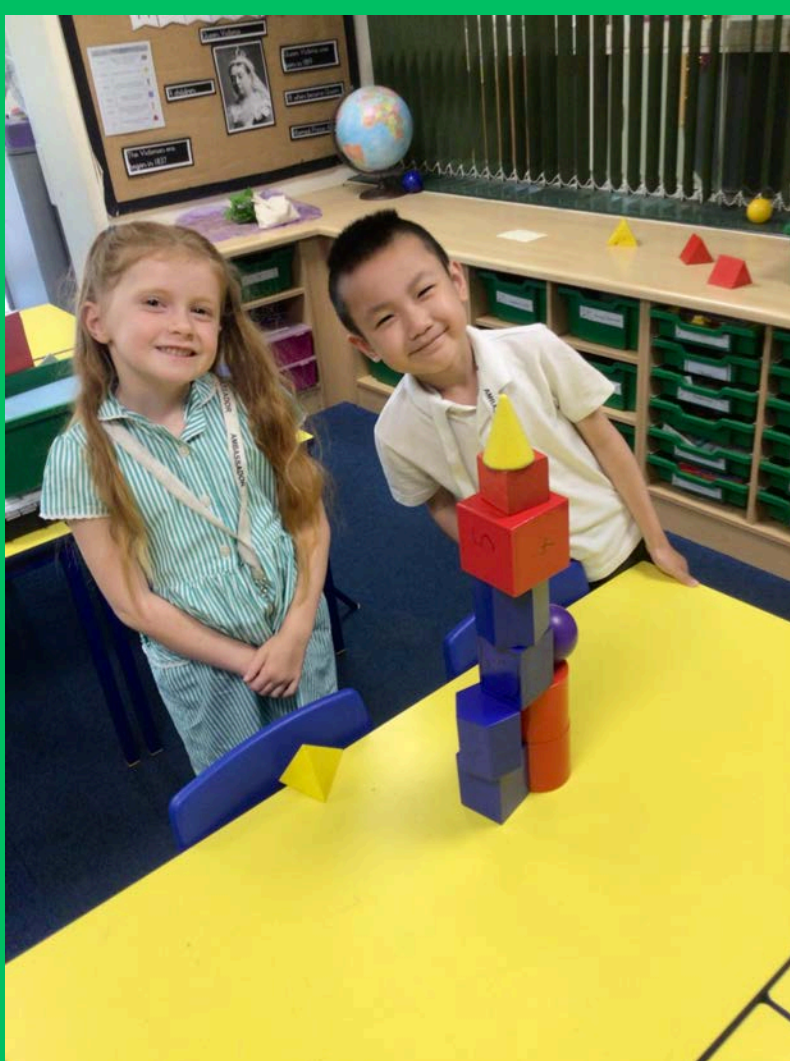

CLASS AMBASSADORS

2L

2L have enjoyed Taekwondo this week. We learned how to defend and protect ourselves using skill and body movements

2H

In Maths we have been learning about 3D shapes and making structures

CLASS AMBASSADORS

3L

Our ambassadors thought that music was the highlight of the week. We listened to a group called Sister Sledge who sung a disco song about Family. Contrasting sounds when we listened to relaxing classical music. Both very different styles but great in their own way.

3H

Our highlight of the week was going to St Bedes to complete a Drumba activity. We loved dancing to the beat and getting to hit the pads as hard as possible!

CLASS AMBASSADORS 4L

This week in our RE lesson, we were role playing 'The Parable of the two Debtors' where we learnt how Christians learn through stories which have morals.

4H

Year 4 are excited to observe what happens to our eggs after being placed into different liquids. Will our predictions of what will happen to the shell be correct?

This investigation is helping us to understand how different foods and liquids can affect the enamel on our teeth.

CLASS AMBASSADORS 5L

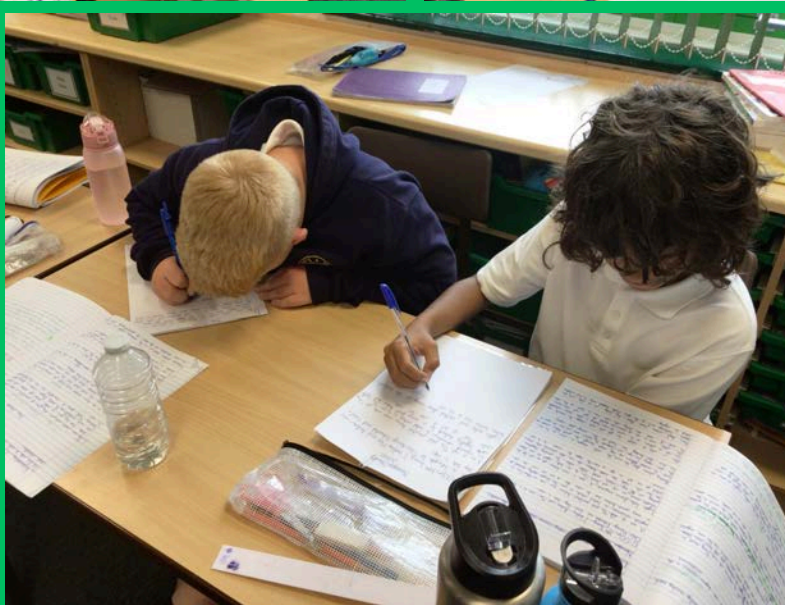

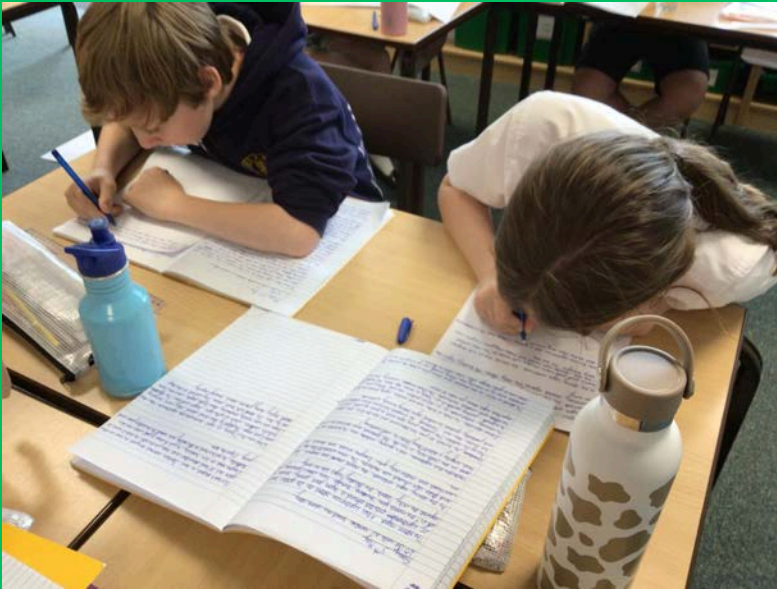

My favourite part of the week was visiting the Butterfly House at Victoria park as I had never been there before and there were lots of exotic butterflies to learn about.

5H

This week we visited the butterfly house in Victoria park. We were surrounded by butterflies and they landed on our heads! We also sketched things in the park in our sketchbooks.

CLASS AMBASSADORS 6L

Year 6 have been getting themselves ready for their high school transition days next week. Here they are preparing some of their best work to show their new teachers.

6H

This week, Year 6 have been solving Mr Crook's problem of not missing the England match while sorting bath time. They were tasked to use all of their knowledge from their electricity topic to develop a system of alerting Mr Crook that the bath was full when the water reached its maximum.

THIS WEEK

YEAR 5 BUTTERFLY HOUSE VISIT

This week we went on a school trip to Victoria Park in Widnes to visit the butterfly house as part of our science topic on life cycles. We had to show our inner resilience by overcoming our fear of walking around as butterflies landed on us! We had to show good understanding of not only how to keep the butterflies safe but also how others in our group might be feeling as there were some nervous faces.

To finish off the day we had to collaborate to produce some great sketches that we could take back to school.

THIS WEEK

EYFS - KENYON HALL FARM

EYFS had a fantastic time on Thursday strawberry picking at Kenyon Hall Farm. They then returned to school to enjoy an afternoon tea with their parents using the strawberries they had picked.

CLASS 1H - OUTDOOR LEARNING

Today we learned all about how to stay safe in the woodland and now we're 'Great with 8!'

We acted out some of the creatures that live in our woodland – woodpeckers, woodlice, mice, squirrels, spiders, robins and wood pigeons. Then we chose one to make out of clay. Can you guess which amazing creatures we made? Well done 1H!

THIS WEEK

CLASS 1H - COMPUTING

1H became news presenters during their computing lesson this week. They took turns of navigating the ipad to record and presenting. They did an amazing job!

THIS WEEK

YEAR 2 - D.T

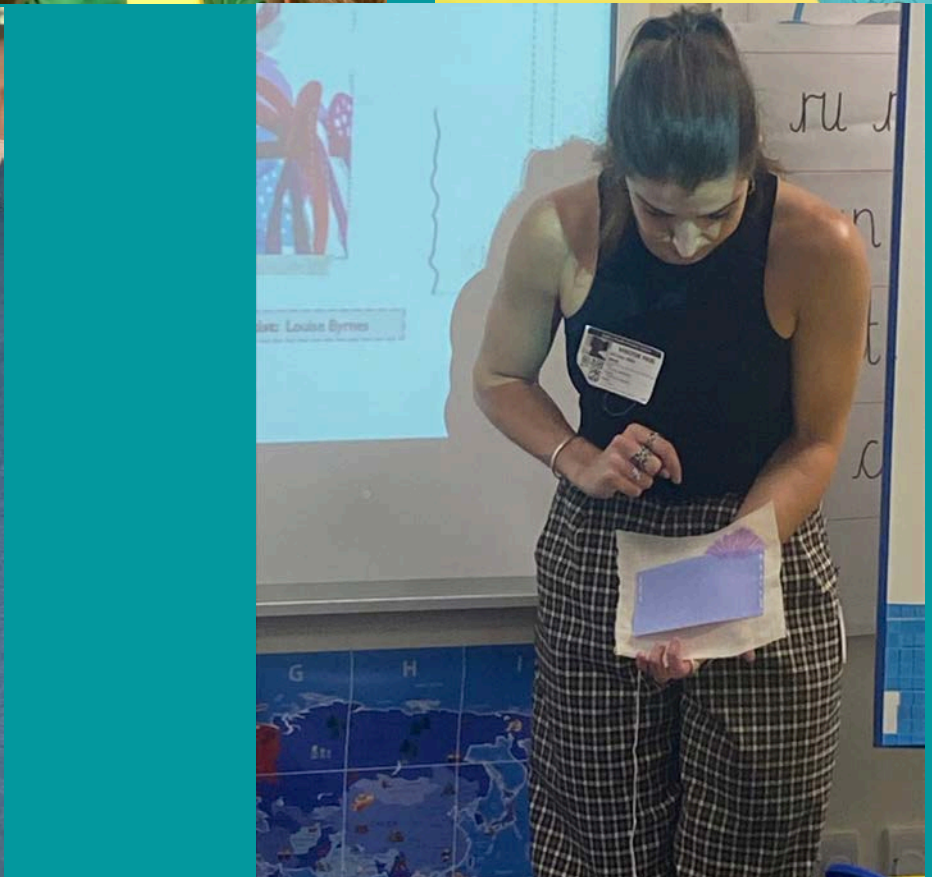

We enjoyed Our DT week. We were joined by Rachel from Cronton College who helped us create our final pouches inspired by Aladdin. We used calico fabric and added a pocket using a cross stitch. We then printed patterns onto our final piece.

THIS WEEK

YEAR 2 - D.T

In Year 2 we took part in a Textiles workshop with Rachel from Cronton College. We practised the running stitch we learned the previous week and successfully created a functional pouch inspired by Aladdin. We also added detail using block printing with metallic colours and different shapes and sizes. Just look at our wonderful final products!

THIS WEEK

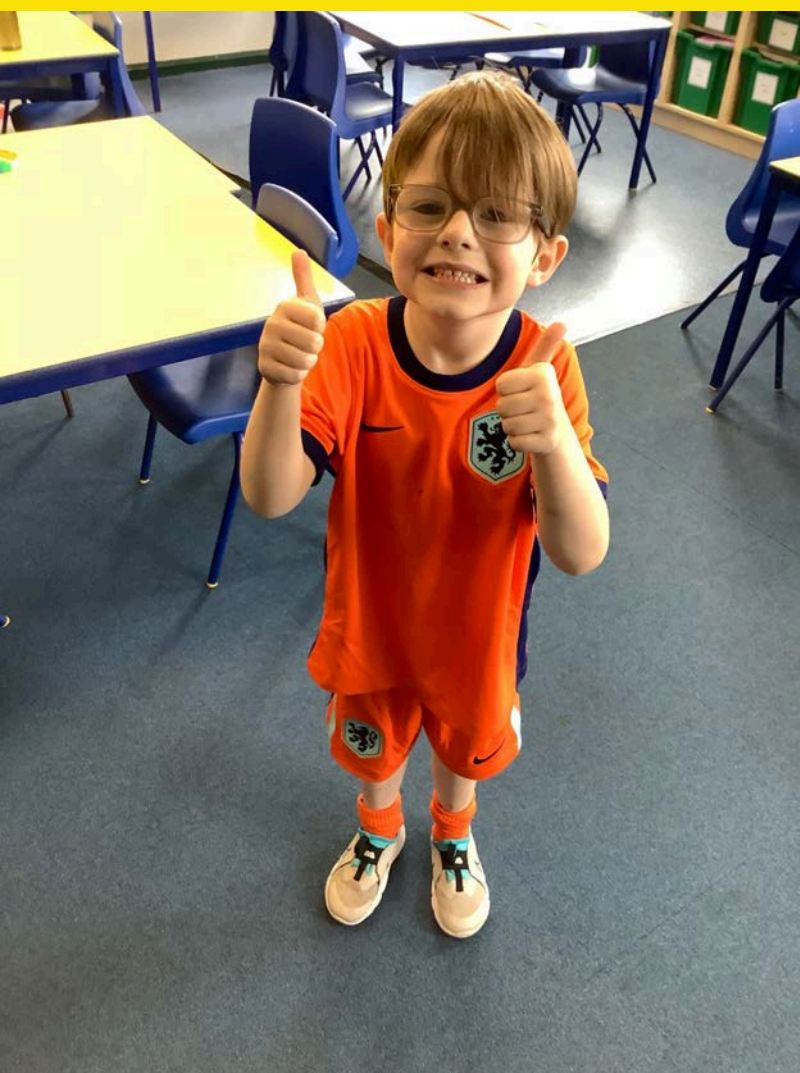

YEAR 2 - D.T

THIS WEEK

DOJO WINNERS

Class 1L cashed in some of their Dojo points for lunch with Mr Paton or to wear their own clothes for the day!

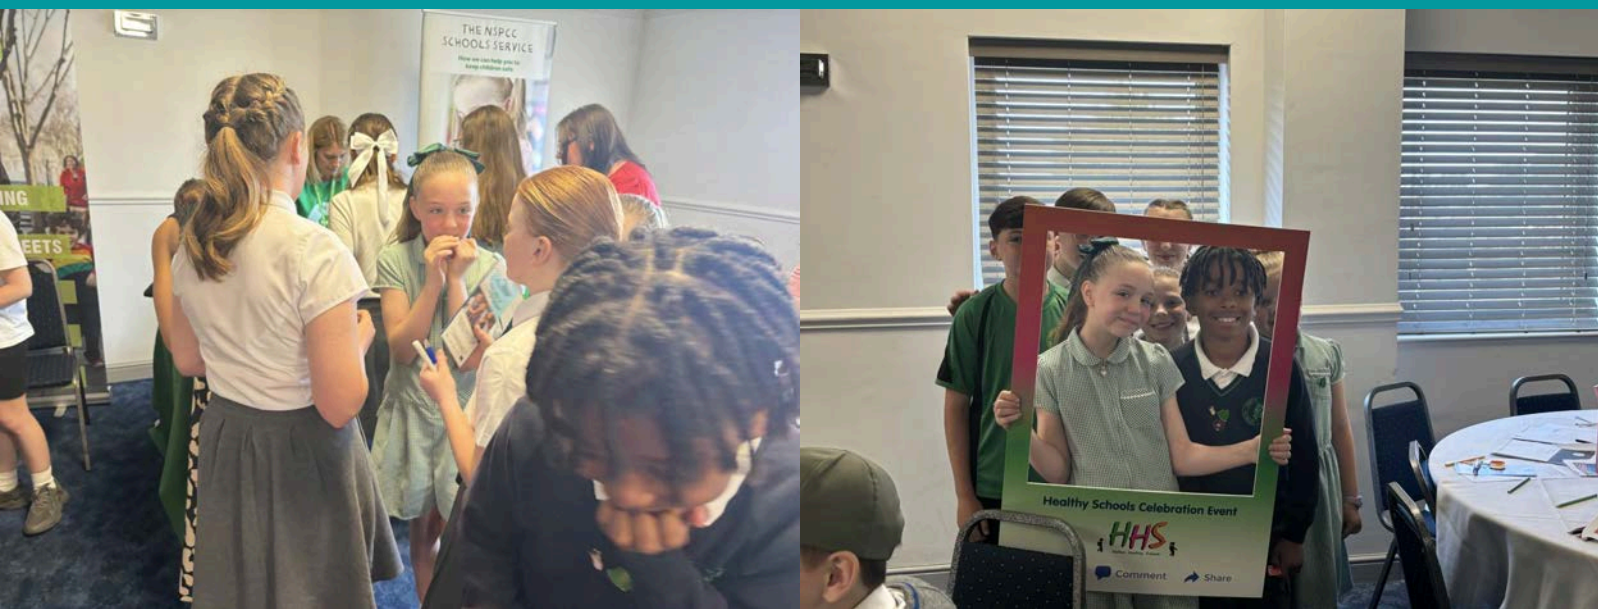

DOJO MCDONALD'S WINNERS

THIS WEEK

SCHOOL COUNCIL - HALTON HEALTHY SCHOOLS

On Wednesday members of the School Council went to the DCBL stadium to attend the Halton Healthy School Celebration Event. The children have a presentation, created by themselves, about how to live a healthy lifestyle including healthy eating, water consumption and advice on screen time.
