

LUNT'S HEATH

News

Friday 5th July 2024

“ Entering our last two weeks of the school year, it has been lovely to share so many memories with the children, particularly this week through our transition programmes. It has been so important to ensure that the children are ready for the next steps of their learning which is why we have a three-day period for them to adjust to their new teachers. Transition can be a daunting experience for some, but we hope in doing this over a period of time that it enables the children to feel settled and content. Today has also been an important day in school as we dedicated our Key Stage 2 Playground to the memory of Bobby Spencer. The importance of legacy and making a difference is now there for us all to see. Have a lovely weekend.”

Mr. D Paton, Headteacher.

PUPIL INFORMATION SHEETS

At half term, you were sent pupil information sheets via Evolve. These Evolve forms contain information that will be vital to your child's new class teacher for the year ahead. We would appreciate if you could take the time to provide this information for your child so it can be passed on to your child's class teacher prior to transition next week. We have resent the Evolve forms to your email.

MONDAY 8TH JULY - CAREERS' DAY

On Monday 8th July 2024, Lunt's Heath will be hosting our third "Careers Day." We hope this exciting opportunity will provide our children with information about the importance of education, pursuing further education and ultimately the stepping-stones to achieve their desired careers. The children will experience a variety of occupations that may be unfamiliar to them and give them the chance to explore each career and ask questions to our company representatives. If they wish, the children can come to school on this day to 'Dress for Success' - attire linked to their future aspirations (example: doctor, lawyer, nurse, teacher, fireman, police, scientist, vet, football player etc)! However, if your child would prefer they can still come to school wearing their uniform as usual.

YEAR 2 - INFANT MUSIC FESTIVAL - WEDNESDAY 10TH JULY

On Wednesday, Year 2 will be walking to the Infant Music Festival at Wade Deacon High School. The children will perform songs with other schools from across Halton. The songs are linked to many Traditional tales that the children have been practicing in school. The children will leave school at 9.00 am and return in time for lunch as usual. If your child already has a traditional tale costume they are welcome to wear it however we will be making masks for the children to wear with their school uniform.

SPORTS PERSONALITY OF THE YEAR AWARDS - FRIDAY 12TH JULY

We are holding our sports personality of the year awards ceremony at 3:30pm on Friday 12th July. During this event we will recognise winning sporting teams from throughout the year and individuals selected in a number of different categories, nominated by their teachers. Parents and carers are invited to attend to celebrate the children's achievements and to support sports at Lunt's Heath.

END OF YEAR AWARDS - 9.15AM

In our final week of the half term we will be holding our end of year awards ceremonies. Please see specific dates list below. PARENT GOVERNOR NOMINATIONS

In September we will be holding an election for a new parent governor. As a governing board we are particularly looking for a member that could offer business support. If you would like further information about the role and what it would entail or would like to put yourself forward for nomination then please discuss this with Mr Paton.

It is a fitting tribute that we unveil this plaque today in honour of our beloved Bobby. This was his favourite place where he spent countless hours playing, laughing, and sharing moments with his friends. Whether it was playing football, chasing the girls or smashing every teacher for 6, Bobby found pure joy in every corner of this playground.

In naming this playground after Bobby, we ensure that his spirit continues to inspire us. This playground will not just be a place for play, but a reminder of the joy, the innocence, and the boundless enthusiasm that Bobby brought into our lives. As children run, laugh, and play here, they will be carrying forward his legacy of happiness and love.

We know that as time goes on, those who knew him in school will become less and less, however with this plaque the children can ask about Bobby. Then we will tell them what an absolute inspiration he was and ensure that his memory lives on for generations to come.

We love to hear about how our children fulfil our school values in their everyday lives. Here are this week's Community Value Award winners:

Kayleigh for showing Ambition and Enterprise

On Saturday, Kayleigh ran her own stall at the summer fayre. She had designed and made her own vending machine (it even had coloured lights on the inside). She filled it with a number of products that she had made herself. Kayleigh then volunteered her time to run her own vending machine stall at the Summer Fayre, donating the profits that she had made to the school.

Well done Kayleigh! Lunt's Heath are incredibly proud of you and your enterprising ambition.
