## News

**Friday 13th September 2024**

**“ This week, we had the great pleasure of announcing our School Leadership team and Ambassadors for the 2024-25 academic year. The children in year 6 all applied for their roles and wrote some fantastic pieces of persuasive texts! We are immensely lucky to have so many superstars within school and this showed just how fortunate we are! They have already been busy showing visitors around school, monitoring lessons and speaking to other children about how to constantly improve our school. Thank you again for sending them to us!**

**Have a lovely weekend. ”**

**Mr. D Paton, Headteacher.**

### **SCHOOL MEALS = PRE-BOOKING = NEW MENU**

Please see later in the newsletter for the 3 week cycle of available meals picked by the children. Please continue to make sure that you pre-book your children's meals for the week on a Sunday by discussing the different menu options available so that they can choose what they would like. This allows the kitchen to order and then cook the correct quantities of meals for each day and manage portion sizes appropriately so no child is disappointed. Please make sure that there is credit on your child's account, otherwise they cannot pick an option for their meals that day. If your child is packed lunch they should not have sweets in their lunchbox. Remember we are a NUT FREE school.

### **PTFA MEET AND GREET - MONDAY 16TH SEPTEMBER - 3.30-4.30PM**

The PTFA will be holding a welcome session for all parents to get to know each other and learn more about the PTFA and their work. This get together is open to all parents but especially our new EYFS parents. There will be cake and refreshments and a chance to get to know each other with no pressure to join the PTFA just the chance to be welcomed into our school community. We have changed the time of this to 3.30pm so parents can come along with their children.

### **LOCAL AREA WALK = CLASS 6H (WED 18TH) / CLASS 6L (THURS 19TH) SEPTEMBER**

In Geography, Year 6 will be we are exploring our local area and how it is changing over time. Please check you have completed the Evolve and for specific information about the trips. All children should come to school wearing full school uniform but with their trainers. They MUST have a waterproof coat. They will require a packed lunch in a disposable bag so this can be disposed of after eating. As the children will be organised into smaller groups when walking the more parent helpers the better. If you have volunteered on the Evolve we would love to have you.

### **YEAR 3 - CHESTER ZOO - FRIDAY 20TH SEPTEMBER**

Year 3 children will visit Chester Zoo on Friday 20th September 2024. The children will participate in a Classification Workshop. During the visit, the children will also have the time to explore the zoo, which will enhance their learning even further. The children will be transported by coach, leaving school at 9.15am and returning for dismissal slightly later at 3.30pm to allow traffic to disperse and the coach to then park at the end of the day. Children should come to school wearing full school uniform with trainers. They MUST have a waterproof coat. A packed lunch with a drink in a carrier bag clearly marked with your child's name. If your child will require a school packed lunch for the day of the trip then please contact the school office before the day of the planned trip.

### **PARKING COMPLAINTS**

Please be considerate of our neighbours when dropping off and collecting your child from school. If possible, please 'Park and Walk', parking a little further away from the school and walking the final distance. We have had a number of complaints from local residents who cannot access their drives and the community police in attendance. We need to keep our children safe by reducing the amount of traffic around school.

Thank you for your support and co-operation.

### **PARENT CONSULATION EVENINGS = YEARS 1 - 6**

Our Parent Consultation Meetings will take place in our school hall on Tuesday 1st October and Thursday 3rd October between 3.30pm and 6.30pm. During these meetings parents will be given the opportunity to visit their child's classroom and look at their books before a 10 minute meeting with your child's class teacher in the hall. Bookings for parents' evening will go live on the school parents evening booking system, on Monday 16th September. If you are a two household family and require separate appointments then please contact the office directly.

Parent Consultation for EYFS will take place on 22.10.24 and 24.10.24.

### **PTFA AGM MEETING - MONDAY 30TH SEPTEMBER - 5.30PM**

The PTFA will be holding their Annual AGM Meeting on Monday 30th September at 5.30pm, in Mr Hawkins classroom (3L) = classroom next to the school office at the front of the school. New members are welcome and encouraged, including relative and family and friends of children attending our school. Please see agenda later in the newsletter.

**PLEASE SEE BELOW FOR A REMINDER OF THE UNIFORM THAT THE CHILDREN CAN WEAR DURING THE AUTUMN TERM**

## School Uniform

Please clearly mark all items of clothing with your child's name:

Plain white shirt (short-sleeve preferred) and school tie (navy and bottle green)

Grey skirt or pinafore or trousers

Navy with bottle green trim school cardigan or V-neck jumper with logo

Grey socks or plain grey tights

Flat black shoes (not trainers or open toe / heel sandals)

Bottle green or navy blue hair tie or ribbons or bands

During the Summer Term until the end of the Autumn 1st Half Term the following may be worn:

Grey tailored shorts

Plain white shirt or blouse or Polo shirt (short-sleeve)

Green & white summer dress with long or short white socks

## PE Kit

Indoor : Bespoke green and black T-shirt with black and green shorts and black pumps.

Outdoor: Bespoke green and black T-shirt with black and green shorts

Plain navy blue pullover sweatshirt and jog pants. (For reasons of health and safety hooded tops and zipped tops are not suitable for school)

Trainers for Outdoor PE

Small drawstring PE bag for kit

Children are asked to attend in full PE kit on designated PE days.

Suitable Bags: Green school book bag / Drawstring PE bag

Book bag for homework etc that must fit in child's tray – no back packs please as there is insufficient space to house them safely.

**Jewellery:** On grounds of health and safety we do not allow children to wear jewellery in our school. The exceptions to this rule are gold or silver earring studs in pierced ears, and small objects of religious significance, for example a religious symbol on a chain. We ask the children to either remove these objects during PE and games, or cover them with a plaster, to prevent them from causing injury. Permitted earrings are gold or silver stud only – no stones or patterned earrings.

**Make-up:** The wearing of any form of make-up is prohibited, this includes nail varnish. Any children wearing make-up will be asked to remove it immediately.

**Hairstyles:** For reasons of health and safety children with long hair (beyond shoulder length) must have it tied back.

**Footwear:** To complement our uniform we require all children to wear sensible dark coloured shoes, preferably black.

We believe that it is dangerous for children to wear shoes that have platform soles, high heels, or flimsy footwear such as sandals, so we do not allow children to wear such shoes in our school. The school wants all children to grow into healthy adults – training shoes can be seen as a fashion item and are built with sport functionality in mind. Therefore they are not permitted to be worn in school by children on a regular basis as a part of the standard school uniform.

**We love to hear about how our children fulfil our school values in their everyday lives. Here are this week's Community Value Award winners:**

### **Aaron for showing Ambition and Inner Resilience**

On Saturday, Aaron won his first Thai-boxing fight. He demonstrated inner-resilience and ambition by stepping in to the ring with an older and heavier opponent and remained chilled as ever! His dedication and hard work at training is definitely paying-off.

### **Hugo for showing all of our school values**

Hugo volunteered to sell raffle tickets for 5 hours (inner resilience) at the Cronton Gala on Saturday. He helped to raise over £800.00 just on his stall, which will benefit the local community.

Hugo showed enterprise and ambition by making a sign for the stall and he decorated the stall with balloons, neither of which had been done in previous years.

Hugo showed great understanding in taking money from people and giving out change. He was also in charge of dealing with the float money, handling both coins and notes in a very responsible way.

Hugo worked in collaboration with other volunteers and also attended a meeting at the council office the following day, Sunday, to help count the money raised at the gala.

Hugo was very proud to have raised so much money for charity!

## Newsletter

What an amazing start to school life for the newest members of our Lunt's Heath family! We have been so proud of how the children have settled, showing confidence and resilience in their new school environment!

Here are some useful reminders:

·PE days this half term are Mondays and Wednesdays.

Please remember to name all of your child's belongings, including all of their uniform, indoor and outdoor PE kit and shoes.

·Doors will open at 8:35 and the school day finishes at 3:05.

·Please ensure that all items of clothing, bags, water bottles and lunch boxes are named.

### Snacks

We have a small kitchen area in the EYFS corridor therefore we offer a range of snacks to help children develop their independence skills. We ask for a contribution of £6 per half term towards this, payment can be made via The Gateway app from Monday 16th September at 12pm - thank you.

### All weather clothing

In Reception we love to take our learning outside-whatever the weather! We have had some children bring in their own puddle suits and wellies for storage in school already. If you would like to send these items into school for your child they can be stored under the shelter, otherwise they can access the spares that we have.

### Classes

All staff are currently working with and getting to know all of the children while also completing our baseline assessments over this first half term. If you have any questions about how your child is settling in or any input you wish to share over class groupings, please speak to a member of the team.

All Tapestry accounts have been activated so hopefully you are able to access via the app or website successfully. On Tapestry we will share updates of things your child may have been doing in school as well as messages and reminders. Please bear in mind if you send a message via the Tapestry app, only the member of staff who you send it to can view that message. If you send a message by uploading an observation of your own, all members can view and the most appropriate staff member can respond. You are also welcome to share with us any achievements from home too. For guidance on how to create an observation can be found here: <https://www.youtube.com/watch?v=espJ96TJHV8>

Next week we will start to introduce short, more formal teaching sessions so be prepared for your child to maybe start sharing with you even more new experiences but also for them to potentially be even more tired from some busy days in school!

Thank you for all of your support so far in settling the children into school life.

They will probably need a big rest this weekend after their first full week.

If you have any questions or would just like a little update, please come and speak to a member of the team at the start or end of the day,

The Early Years Team

# SECONDARY APPLICATIONS

To: Parent/Carers of all Halton residents  
Year 6 pupils

**School Admissions Team**

Clare Fay 0151 5118601

September 2024

[schooladmissions@halton.gov.uk](mailto:schooladmissions@halton.gov.uk)

Dear Parent/Carer,

## **STARTING SECONDARY SCHOOL – SEPTEMBER 2025 ADMISSION TO SECONDARY SCHOOLS FOR HALTON RESIDENTS**

As your child is due to transfer from primary to secondary school in September 2025, we are pleased to advise that the Admission to Secondary School 2025 booklet which explains the arrangements is now available online at [School admissions website](#)

It is highly advised that you read this booklet, and then complete the online application available at [School admissions website](#). If any of your preferred schools are in other local authority areas you will need to visit their websites for details on the admission policies and oversubscription criteria. If you are unable to apply online, then please email [schooladmissions@halton.gov.uk](mailto:schooladmissions@halton.gov.uk), or drop into one of the Halton Direct Link Offices to obtain a form or call us on the numbers above.

The timetable for Secondary School admissions is as follows:

- |                                     |   |
|-------------------------------------|---|
| <b>September 2024</b>               | Admission to Secondary School booklet available online.<br>Online applications open   |
| <b>31<sup>st</sup> October 2024</b> | Closing date for receipt of preference forms and online applications  |
| <b>3<sup>rd</sup> March 2025</b>    | Notification of outcome of preference available online, to those who applied online, and letter posted to parents of paper applicants |
| <b>31<sup>st</sup> March 2025</b>   | Closing date for submission of intention to appeal  |

You should read the booklet carefully, and think about how your child's application will be considered against each of your preference school's oversubscription criteria before indicating that school as a preference. Failure to submit an application may result in the Local Authority being unable to allocate a place for your child at your preferred school.

It is important that you make as many preferences as possible (up to the maximum of 3) to increase your chances of being offered a school of your preference. It is sometimes not possible to offer any of a parent's preferred schools and in these circumstances your child will be allocated a place at the nearest school with vacancies by the Local Authority.

However, this will not affect your right of appeal to an independent appeals panel against the decision not admit your child to your school(s) of preference and details on these procedures will be given to you at that time. If you require any further information please contact a member of the School Admissions Team on the telephone numbers above or by email.

**Please note: There is no first-come-first-offered basis for applications.** All applications received are considered against the oversubscription criteria for the school. The important thing to do is to make sure that you complete the online application, or submit a paper application form on-time, **before the deadline of 31<sup>st</sup> October 2024**. Failure to do so will result in your application being considered as late, and this may harm your chances of being offered the school you prefer. Schools will be holding open day/evening events over the coming months and you should contact your preference school(s) directly for further information.

If your child has an Education, Health and Care Plan (EHCP) you should contact your child's SEND Coordinator to discuss their transition to secondary level education and you **do not** need to make an application as this will be coordinated by the SEND Team.

If you've received this letter and your child does not live in Halton please contact your local authority for details on their scheme and make your application to your home local authority, even if you wish to make preferences for Halton schools.

Yours sincerely,

Halton School Admissions Team

[schooladmissions@halton.gov.uk](mailto:schooladmissions@halton.gov.uk)

Dear Parent/Carer,

### STARTING PRIMARY SCHOOL – SEPTEMBER 2025 ADMISSION TO PRIMARY SCHOOLS FOR HALTON RESIDENTS

If your child was born between 01/09/2020 and 31/08/2021, or if you requested a deferred entry to primary school and that has been agreed for your child for September 2025, they are eligible to commence Primary School in September 2025. We are pleased to advise that the Admission to Primary School 2025 booklet which explains the arrangements is available online at [School admissions website](#)

It is highly advised that you read this booklet, and then complete the online application available at [School admissions website](#). If any of your preferred schools are in other local authority areas you will need to visit their websites for details on the admission policies and oversubscription criteria. If you are unable to apply online, then please email the School Admissions Team, or drop into one of the Halton Direct Link Offices to obtain a form.

The timetable for Primary School admissions is as follows:

<b>September 2024</b>	Admission to Primary School booklet available online. Online applications open
<b>15<sup>th</sup> January 2025</b>	Closing date for receipt of preference forms and online applications
<b>16<sup>th</sup> April 2025</b>	Notification of outcome of preference available online, to those who applied online, and letter posted to parents of paper applicants
<b>16<sup>th</sup> May 2025</b>	Closing date for submission of intention to appeal

You should read the booklet carefully and think about how your child's application will be considered against each of your preference school's oversubscription criteria before indicating that school as a preference. Failure to submit an application may result in the Local Authority being unable to allocate a place for your child at your preferred school.

It is important that you make as many preferences as possible (up to the maximum of 3) to increase your chances of being offered a school of your preference. It is sometimes not possible to offer any of a parent's preferred schools and in these circumstances your child will be allocated a place at the nearest school with vacancies by the Local Authority. However, this will not affect your right of appeal to an independent appeals panel against the decision not admit your child to your school(s) of preference and details on these procedures will be given to you at that time. If you require any further information please contact a member of the School Admissions Team on the telephone numbers above or by email.

**Please note: There is no first-come-first-offered basis for applications.** All applications received are considered against the oversubscription criteria for the school. The important thing to do is to make sure that you complete the online application, or submit a paper application form on-time, **before the deadline of 15<sup>th</sup> January 2025**. Failure to do so will result in your application being considered as late, and this may harm your chances of being offered the school you prefer. Schools will be holding open day/evening events over the coming months and you should contact your preference school(s) directly for further information.

If your child has an Education, Health and Care Plan (EHCP) you should contact your child's SEND Coordinator to discuss their application and you **do not** need to make an application as this will be coordinated by the SEND Team.

If you've received this letter and your child does not live in Halton please contact your local authority for details on their scheme and make your application to your home local authority, even if you wish to make preferences for Halton schools.

Yours sincerely,

Halton School Admissions Team
