News

Friday 25th October 2024

“So, after an 8-week half term, filled with such experiences and excitement, we have reached our October half term. I have had several highlights this half term, but I have to say that seeing the children take part in the Bubble and Colour Run has been a real thrill. Seeing the children’s smiles, through the purple, red and orange paint, was such a heart-warming sight. That said, I’m not sure who had more fun - the children or Mrs Heath! Seeing the school come together, to raise incredible amounts of money for their charities, has been an amazing feat by all concerned. Thank you so much for your ongoing support and for sharing your fantastic children with us all.

Have a lovely half term and we will see you all again on 4th November !”

Mr. D Paton, Headteacher.

COLOUR RUN - CHARITY FUNDRAISING HOUSE DAYS

THANK YOU SO MUCH FOR YOUR GENEROUSITY! THE CHILDREN HAD AN AMAZING TIME AND WE RAISED:

**EYFS/Y1 / Y2 = ALDER HEY = £2703.50
Y3 / Y4 = SAVE THE CHILDREN = £1403.71
Y5 / Y6 = ALZHEIMERS SOCIETY = £2341.32**

SCHOOL MEALS = PRE-BOOKING AND CREDIT

Please continue to make sure that you pre-book your children’s meals for the week on a Sunday by discussing the different menu options available so that they can choose what they would like. This allows the kitchen to order and then cook the correct quantities of meals for each day and manage portion sizes appropriately so no child is disappointed.

Please make sure that there is credit on your child’s account, otherwise they cannot pick an option for their meals that day. If your child is packed lunch they should not have sweets in their lunchbox. Remember we are a NUT FREE school.

WINTER SCHOOL UNIFORM

After half term, all children should now be wearing their winter uniform consisting of shirt, tie and school jumper or cardigan, with grey pants, skirt or pinafore dress. School PE kit should be their outdoor PE kit consisting of blue jogging pants and jumper (no hoodies due to safety issues when doing PE).

Please see later in the newsletter for further specific information.

PARKING COMPLAINTS

Please be considerate of our neighbours when dropping off and collecting your child from school. If possible, please ‘Park and Walk’, parking a little further away from the school and walking the final distance. We have had a number of complaints from local residents who cannot access their drives. The community police have been notified and will be in attendance. We need to keep our children safe by reducing the amount of traffic around school. Thank you for your support and co-operation.

AUTUMN 2ND HALF TERM - INFORMATION

This half term you will be emailed the Curriculum Newsletter for your child’s class. This will give you information about the topics that they will be covering next half term. Please have a look and discuss this information with your child in preparation for their new learning. Knowledge Organisers can be found on your child’s class page for further specific information about these topics to assist you. There may have been some changes to your child’s PE day next half term. This is to allow the class to access provision provided by a PE specialist. Please see the page later in the newsletter for these changes. Bookings for extra curricular activities opened today at 3pm. Please check the letter you were emailed for further information. Places need to be booked by Wednesday 30th October, if there are remaining places available then club booking will re-open on this date for parents to book a second club place.

EYFS do not attend after school clubs as we feel the day is currently long enough for them as they settle into school life.

APPEAL FOR KS2 CHOIR MEMBERS - CHRISTMAS PERFORMANCES WITH THE HIGHFIELD MALE VOICE CHOIR

Our school choir has been given the opportunity to participate in a number of Christmas performances. We are looking for extra members to boost our choir. If your child would like to join our choir we have re-opened the booking system. Choir is held on a Monday night and the children will be learning Christmas songs for these performances.

Parents who have volunteered to help transport children will be contacted directly this week to make arrangements for transportation. Following this communication all parents will receive further communication when we return to school regarding further arrangements for Thursday. The children will complete a range of outdoor activities during the day, before having tea and a campfire before bed. On the Friday the children will have breakfast and lunch at Delamere completing a range of further activities before returning to arrive back at school for 1.30pm. We would like the children to be collected from school at 1.30pm to be taken home to catch up on their sleep. If children cannot be collected they can remain at school until the end of the school day.

UNIFORM

PLEASE SEE BELOW FOR A REMINDER OF THE UNIFORM THAT THE CHILDREN CAN WEAR DURING THE AUTUMN TERM

School Uniform

Please clearly mark all items of clothing with your child's name:

Plain white shirt (short-sleeve preferred) and school tie (navy and bottle green)

Grey skirt or pinafore or trousers

Navy with bottle green trim school cardigan or V-neck jumper with logo

Grey socks or plain grey tights

Flat black shoes (not trainers or open toe / heel sandals)

Bottle green or navy blue hair tie or ribbons or bands

PE Kit

Indoor : Bespoke green and black T-shirt with black and green shorts and black pumps.

Outdoor: Bespoke green and black T-shirt with black and green shorts

Plain navy blue pullover sweatshirt and jog pants. (For reasons of health and safety hooded tops and zipped tops are not suitable for school)

Trainers for Outdoor PE

Small drawstring PE bag for kit

Children are asked to attend in full PE kit on designated PE days.

Suitable Bags: Green school book bag / Drawstring PE bag

Book bag for homework etc that must fit in child's tray – no back packs please as there is insufficient space to house them safely.

Jewellery: On grounds of health and safety we do not allow children to wear jewellery in our school. The exceptions to this rule are gold or silver earring studs in pierced ears, and small objects of religious significance, for example a religious symbol on a chain. We ask the children to either remove these objects during PE and games, or cover them with a plaster, to prevent them from causing injury. Permitted earrings are gold or silver stud only – no stones or patterned earrings.

Make-up: The wearing of any form of make-up is prohibited, this includes nail varnish. Any children wearing make-up will be asked to remove it immediately.

Hairstyles: For reasons of health and safety children with long hair (beyond shoulder length) must have it tied back.

Footwear: To complement our uniform we require all children to wear sensible dark coloured shoes, preferably black.

We believe that it is dangerous for children to wear shoes that have platform soles, high heels, or flimsy footwear such as sandals, so we do not allow children to wear such shoes in our school. The school wants all children to grow into healthy adults – training shoes can be seen as a fashion item and are built with sport functionality in mind. Therefore they are not permitted to be worn in school by children on a regular basis as a part of the standard school uniform.

Dear Parents and Carers,

After School Activities – Autumn 2nd Half Term

Autumn 2 clubs will run from **Monday 4th November up until and including the week commencing Monday 9th December.**

Unfortunately, we have had to cancel and move some of our clubs due to there not being a great intake of numbers during Autumn 1st Half Term.

Please discuss the available clubs with your child prior to signing up as we have found on a growing number of occasions that children are reluctant to participate in the club activities when they have not chosen them themselves. It is expected that those children allocated places will make a **commitment** to attend, as places are limited for many activities and some children may not have been allocated a place.

If a club does not have enough children sign up the club will be cancelled and we will offer your child a place on a different club that has availability.

Each club is limited to 25 pupils. Monday's drama club is for those that have already signed up to Mrs Kristensen's 'Matilda' performance. This will not count towards your child's allocation and you do not need to sign them up for this club as it will carry forward.

If in exceptional circumstances your child is unable to attend an activity the school office must be contacted to avoid unnecessary concern that occurs when children have been in school and do not turn up for an after-school club often run by a different teacher that is giving up their time to offer a club and is sometimes not your child's class teacher.

Children attending a sporting after school club should bring an appropriate change of clothes to avoid wearing their school P.E. kit. If the club is on your child's PE day they do not need to bring a change of clothes.

The clubs will go live to book at 3.00pm on Friday 25th October. Each child can only pick one club. If the clubs have spaces available, we will then reopen for the children to choose more than one club on Wednesday 30th October.

The clubs available are:

KS1 Creative Club- Monday

Whole School Christmas Songs Choir- Monday

Whole School OPAL (outdoor play and learning) – Wednesday

KS1 Football Club - Wednesday

KS1 Construction Club- Thursday

Year 3/4

Year 3 and 4 Football Club – Monday

KS2 Geography Club - Monday

KS2 School Reading and Mindfulness - Wednesday

Whole School OPAL (outdoor play and learning) – Wednesday

KS2 Movie club - Thursday

KS2 Sports Club - Thursday

Please complete their preferences via the School Gateway by the morning of Wednesday 30th October.

Requests after this date will not be acknowledged. **Please keep these dates in your diary.**

ALL clubs will run straight after school until 4:15pm. This is to ease collection for parents with children in both KS1 and KS2 clubs. ALL children will be collected from the junior playground by an adult.

The clubs are not weather dependent therefore you will be informed directly if they are to be cancelled for any reason. If a sports club has to be changed due to bad weather it will become an indoor club using ipads/ links to the sport or an indoor club alternative if numbers allow.

Yours sincerely,
Mrs Povey

EYFS Newsletter

Although it has been our last week of this half term we have been as busy as ever with our learning as well as enjoying the bubble run on Wednesday and welcoming our grown ups into school for parent consultation meetings.

Thank you all for attending, it is such a useful opportunity to share where the children are up to as well as facilitating our work in partnership with yourselves to provide the very best for the children.

Phonics

This week in phonics we have looked at the sounds of x, sh, th and ch. The sounds that are made up of two letters are known to the children as 'special friends', meaning that they are two letters making the one sound.

After half term, the children will bring home reading materials so that they can practise their skills at home with you.

Mathematics

In our Maths Fluency sessions this week, we have investigated the shapes made by Number block Four. The children have started to notice the sub-groups that can be perceived within a larger set, and recognise the whole at the same time. For example, they have seen that Number block Four can be arranged with 2 blocks on top of another 2 blocks or as a line of 3 with 1 on top, and connect both to 4.

In our Maths lessons this week we have been looking at ordinal numbers, for example 1st, 2nd etc, conservation of number, abstraction principle and representations of numbers up to five. Conservation of number means that the quantity three, for example, is always three no matter how it is arranged. Abstraction principle means understanding that anything can be counted. It also refers to the understanding that a group of three elephants is numerically the same as a group of three mice even though the elephants are physically much larger.

Drawing Club

Our Drawing Club text has been 'The Ugly Duckling.' The children have enjoyed drawing the main character and setting from the text before thinking of ways to cheer the ugly duckling up!

'Where in the world do my family come from?'

In our Topic lessons our Big Question has been 'Where in the world do my family come from?' We have discussed different types of houses and homes before sharing if we have family from further afield! It has been fascinating discovering the children have links in so many far flung places so thank you for sharing!

Thank you for all of your support in helping the children settle into school life. They have made an amazing start! We would like to take this opportunity to wish you a restful and fun half term break; we will see you all back on the 4th November and we look forward to all of the excitement and magical moments which will come in the build up to Christmas!

The EYFS Team

CLASS AMBASSADORS 1L

This week we learnt all about our charity, Alder Hey. We were amazed by how important the charity is for supporting children and we wanted to make a card for the Nurses and children to show we are always thinking of them.

September 2024

schooladmissions@halton.gov.uk

Dear Parent/Carer,

STARTING SECONDARY SCHOOL – SEPTEMBER 2025 ADMISSION TO SECONDARY SCHOOLS FOR HALTON RESIDENTS

As your child is due to transfer from primary to secondary school in September 2025, we are pleased to advise that the Admission to Secondary School 2025 booklet which explains the arrangements is now available online at [School admissions website](#)

It is highly advised that you read this booklet, and then complete the online application available at [School admissions website](#). If any of your preferred schools are in other local authority areas you will need to visit their websites for details on the admission policies and oversubscription criteria. If you are unable to apply online, then please email schooladmissions@halton.gov.uk, or drop into one of the Halton Direct Link Offices to obtain a form or call us on the numbers above.

The timetable for Secondary School admissions is as follows:

- | | |
|-------------------------------------|---|
| September 2024 | Admission to Secondary School booklet available online.
Online applications open |
| 31st October 2024 | Closing date for receipt of preference forms and online applications |
| 3rd March 2025 | Notification of outcome of preference available online, to those who applied online, and letter posted to parents of paper applicants |
| 31st March 2025 | Closing date for submission of intention to appeal |

You should read the booklet carefully, and think about how your child's application will be considered against each of your preference school's oversubscription criteria before indicating that school as a preference. Failure to submit an application may result in the Local Authority being unable to allocate a place for your child at your preferred school.

It is important that you make as many preferences as possible (up to the maximum of 3) to increase your chances of being offered a school of your preference. It is sometimes not possible to offer any of a parent's preferred schools and in these circumstances your child will be allocated a place at the nearest school with vacancies by the Local Authority.

However, this will not affect your right of appeal to an independent appeals panel against the decision not admit your child to your school(s) of preference and details on these procedures will be given to you at that time. If you require any further information please contact a member of the School Admissions Team on the telephone numbers above or by email.

Please note: There is no first-come-first-offered basis for applications. All applications received are considered against the oversubscription criteria for the school. The important thing to do is to make sure that you complete the online application, or submit a paper application form on-time, **before the deadline of 31st October 2024**. Failure to do so will result in your application being considered as late, and this may harm your chances of being offered the school you prefer. Schools will be holding open day/evening events over the coming months and you should contact your preference school(s) directly for further information.

If your child has an Education, Health and Care Plan (EHCP) you should contact your child's SEND Coordinator to discuss their transition to secondary level education and you **do not** need to make an application as this will be coordinated by the SEND Team.

If you've received this letter and your child does not live in Halton please contact your local authority for details on their scheme and make your application to your home local authority, even if you wish to make preferences for Halton schools.

Yours sincerely,

Halton School Admissions Team

Dear Parent/Carer,

STARTING PRIMARY SCHOOL – SEPTEMBER 2025 ADMISSION TO PRIMARY SCHOOLS FOR HALTON RESIDENTS

We are pleased to advise that the Admission to Primary School 2025 booklet which explains the arrangements is available online at [School admissions website](#)

It is highly advised that you read this booklet, and then complete the online application available at [School admissions website](#). If any of your preferred schools are in other local authority areas you will need to visit their websites for details on the admission policies and oversubscription criteria. If you are unable to apply online, then please email the School Admissions Team, or drop into one of the Halton Direct Link Offices to obtain a form.

The timetable for Primary School admissions is as follows:

September 2024	Admission to Primary School booklet available online. Online applications open
15th January 2025	Closing date for receipt of preference forms and online applications
16th April 2025	Notification of outcome of preference available online, to those who applied online, and letter posted to parents of paper applicants
16th May 2025	Closing date for submission of intention to appeal

You should read the booklet carefully and think about how your child's application will be considered against each of your preference school's oversubscription criteria before indicating that school as a preference. Failure to submit an application may result in the Local Authority being unable to allocate a place for your child at your preferred school.
