

LUNT'S HEATH

News

Friday 15th November 2024

“This week has seen the Year 3 children again spend the night at Delamere Forest. This experience, alongside so many others, proves they are true Lunt’s Heathers! This was never more in evidence this week with our Y6 children raising money for the Brain Tumour Charity in the name of Bobby Spencer. The children raised £738 through the sale of unwanted toys, taking the grand total to over £70,000. This is an amazing achievement and one which I know the family were very proud of! Thank you to Mr Crook, Miss Huddleston, Mrs Wallace, and the Year 6 children for all their hard work! Have a lovely weekend! Mr. D Paton, Headteacher.

YEAR 6 CHARITY TOY SHOP BRAIN TUMOUR CHARITY IN MEMORY OF BOBBY SPENCER £738.50

Thank you so much for supporting our Charity Toy Sale over the last couple of weeks. Our Year 6 children really wanted to do something to support the Brain Tumour Charity in memory of Bobby Spencer. They created the idea of running a charity toy sale. They were very grateful to all the families that donated toys as part of a pre-Christmas clear out and to parents and children who purchased items. All of the children across the school loved having the opportunity to visit the shop and purchase items. Thank you so much for your generosity in supporting such an important cause!

EYFS Newsletter

The children have had a great week and really enjoyed visiting the Year 6 Charity toy sale earlier in the week, alongside all our exciting learning.

Phonics

Your child's Phonics teacher will continue to post a little update on Tapestry of how you can support your child with their reading at home. We love to hear how they are getting on at home so please do leave a comment in their yellow reading diaries each time you read with them at home.

Mathematics

We have done lots of work in Maths this week with numbers to five. We have explored different ways numbers to five can be represented through concrete apparatus, pictures and using the numerals.

Drawing Club

In drawing club this week, we have been learning about the story 'The Little Red Hen'. The children have really got to know the story well by using the repeated refrains to join in with confidence. The children have been so creative thinking of new ways to invent a bad character in the story!

Topic lessons

Why are there so many leaves on the ground? What a busy week we have had in Reception this week. We started our new Topic 'Why are there so many leaves on the ground?' on Monday with an Autumn walk around the school grounds. We were able to notice lots of signs of Autumn and we are grateful for all of the Autumn treasures the children have brought in from home too! We have been very creative by making leaf rubbings and in R.E we explored Rangoli and Mendi patterns.

Snacks

We would really appreciate if you can continue to support our snack provision for the children by making a £6 payment onto the school gateway system. The children really benefit from all the skills we are able to incorporate into activity.

Christmas

Now we are in November, Christmas will soon be upon us! We hope to be able to share details with you very soon about costumes for our Christmas performances which will take place in December. Please do check the 'Diary Dates' section of the newsletter for information on the different events happening in this very busy half term! Have a wonderful weekend, The EYFS Team

CLASS 5H - OUTDOOR LEARNING

There was a chill in the air today, but that didn't put off Year 5 as they set off for the woodland this afternoon. As the last of the leaves were falling, 5H got to work on building dens using long logs and tree stumps. They showed fantastic collaboration checking in with their team mates and sharing the resources. They also made good use of the carpet of leaves, using them to camouflage their structures which blended in wonderfully with their surroundings. Great team work Year 5!

To: Parent/Carers of all Halton residents
Applying for Primary School 2025

School Admissions Team

Clare Fay 0151 5118601

September 2024

schooladmissions@halton.gov.uk

Dear Parent/Carer,

STARTING PRIMARY SCHOOL – SEPTEMBER 2025 ADMISSION TO PRIMARY SCHOOLS FOR HALTON RESIDENTS

If your child was born between 01/09/2020 and 31/08/2021, or if you requested a deferred entry to primary school and that has been agreed for your child for September 2025, they are eligible to commence Primary School in September 2025. We are pleased to advise that the Admission to Primary School 2025 booklet which explains the arrangements is available online at [School admissions website](#)

It is highly advised that you read this booklet, and then complete the online application available at [School admissions website](#). If any of your preferred schools are in other local authority areas you will need to visit their websites for details on the admission policies and oversubscription criteria. If you are unable to apply online, then please email the School Admissions Team, or drop into one of the Halton Direct Link Offices to obtain a form.

The timetable for Primary School admissions is as follows:

September 2024	Admission to Primary School booklet available online. Online applications open
15th January 2025	Closing date for receipt of preference forms and online applications
16th April 2025	Notification of outcome of preference available online, to those who applied online, and letter posted to parents of paper applicants
16th May 2025	Closing date for submission of intention to appeal

You should read the booklet carefully and think about how your child's application will be considered against each of your preference school's oversubscription criteria before indicating that school as a preference. Failure to submit an application may result in the Local Authority being unable to allocate a place for your child at your preferred school.

It is important that you make as many preferences as possible (up to the maximum of 3) to increase your chances of being offered a school of your preference. It is sometimes not possible to offer any of a parent's preferred schools and in these circumstances your child will be allocated a place at the nearest school with vacancies by the Local Authority. However, this will not affect your right of appeal to an independent appeals panel against the decision not admit your child to your school(s) of preference and details on these procedures will be given to you at that time. If you require any further information please contact a member of the School Admissions Team on the telephone numbers above or by email.

Please note: There is no first-come-first-offered basis for applications. All applications received are considered against the oversubscription criteria for the school. The important thing to do is to make sure that you complete the online application, or submit a paper application form on-time, **before the deadline of 15th January 2025**. Failure to do so will result in your application being considered as late, and this may harm your chances of being offered the school you prefer. Schools will be holding open day/evening events over the coming months and you should contact your preference school(s) directly for further information.

If your child has an Education, Health and Care Plan (EHCP) you should contact your child's SEND Coordinator to discuss their application and you **do not** need to make an application as this will be coordinated by the SEND Team.

If you've received this letter and your child does not live in Halton please contact your local authority for details on their scheme and make your application to your home local authority, even if you wish to make preferences for Halton schools.

Yours sincerely,

Halton School Admissions Team
