News

Friday 22nd November 2024

“The snow and ice brought winter to school this week with the children coping very well in often sub-zero temperatures! Thankfully, the year 3s weren't staying in Delamere! Over the next few weeks though, we will be commencing out Christmas festivities with the EYFS Dress the Christmas Tree next Friday. You will find all of the dates in the newsletter, and it will be lovely to see as many of you as possible in school with us.

Have a lovely weekend.

Mr. D Paton, Headteacher.”

SCHOOL MEALS - PRE-BOOKING AND CREDIT

Please continue to make sure that you pre-book your children's meals for the week on a Sunday by discussing the different menu options available so that they can choose what they would like. This allows the kitchen to order and then cook the correct quantities of meals for each day and manage portion sizes appropriately so no child is disappointed.

Please make sure that there is credit on your child's account, otherwise they cannot pick an option for their meals that day. Currently a large number of children are having to attend the school office each day as they cannot choose a meal as they do not have credit on their account. If your child is packed lunch they should not have sweets in their lunchbox. Remember we are a NUT FREE school.

EYFS

Newsletter

It has been another busy week in Reception, especially as we continue to rehearse for our Christmas show extravaganza! The children have been amazing in picking up the words and choreography, it seems we have a group of natural born performers so you should be in for a treat by the time the performance comes around! The children all brought home letters with their roles and the costumes they will need last Friday. Their costumes will need to be in school by Friday 6th December please, any problems please speak to a member of the team.

Phonics

We have continued our Phonics learning in our groups. All children will have materials to support their learning at home. Practising with you at home at least three times a week will help support their learning enormously. Please do write a little comment each time you read with your child in the reading diary to tell us how they are getting on and ensure they have their book bag, with everything inside, with them each day so we can change books/sheets as needed and check on their progress. Thank you.

Mathematics

In our Maths lessons this week we have been exploring the composition of 5. We have been introducing the idea of part-whole, by looking at the different ways that we can represent the numbers up to five. Children can explore this by separating the whole into two parts or by joining two parts to make a whole. Finally we have started to become familiar with expressing this as equations e.g. $3+2=5$.

Drawing Club

Our Drawing Club we have enjoyed an old classic, 'Mr Benn.' The children have enjoyed drawing the main character of Mr Benn and the zoo where he plays zookeeper for the day!

Topic lessons

In our Topic lessons our Big Question has been 'Should Goldilocks say sorry?' On Tuesday afternoon, we returned from the Daily Mile to find something rather strange had happened! In our corridor there was a terrible mess, with porridge all over the floor, 3 bowls, 3 chairs and a suspicious looking paw print!

Eyfs Dress The Tree - Friday 29th November - 2pm

We hope you can join us next Friday 29th November for our 'Dress the Tree' event. We will have a fun packed afternoon of crafting making decorations to hang on our school Christmas Tree. Doors will open at 1.55pm.

Thank you as ever for your continued support, have a wonderful weekend,
The EYFS Team

CLASS AMBASSADORS 3L

3L ambassadors thought that swimming was the highlight of the week. We talked about how swimming is so important for many reasons. It keeps us really fit and healthy, keeping our hearts and muscles healthy. It's also good because it keeps us safe when we go to the beach or go on holiday. We can't wait for next week!

In Science this we investigated the hardness, permeability and acidity of different types of rocks.

Year 1 loved taking part in their animal workshop on Tuesday. They met lots of different animals and learnt lots of interesting facts about them. This will really support our enquiry question in Geography, 'Why can't a meerkat live in the North Pole?'

THIS WEEK

YEAR 4 - D.T

As part of their Design Technology lessons, the children taste tested a range of ingredients. Using this information they then designed and planned their own biscuits which they made in their lessons this week.

We have loved designing and creating our biscuits this week.

We can't wait to see how our biscuits turn out and how they taste 🍷

THIS WEEK

CLASS 5L - OUTDOOR LEARNING

The temperature has dropped, but we made sure we kept ourselves warm and busy in the woodland! We used tyres and crates (plus lots of fantastic collaboration) to create some great obstacle courses. Just how DO you get your whole group from one point to another without touching the ground? Look at our photos to find out how WE successfully tackled this week's challenge!

Applying for Primary School 2025

School Admissions Team

schooladmissions@halton.gov.uk

Dear Parent/Carer,

STARTING PRIMARY SCHOOL – SEPTEMBER 2025 ADMISSION TO PRIMARY SCHOOLS FOR HALTON RESIDENTS

If your child was born between 01/09/2020 and 31/08/2021, or if you requested a deferred entry to primary school and that has been agreed for your child for September 2025, they are eligible to commence Primary School in September 2025. We are pleased to advise that the Admission to Primary School 2025 booklet which explains the arrangements is available online at [School admissions website](#)

It is highly advised that you read this booklet, and then complete the online application available at [School admissions website](#). If any of your preferred schools are in other local authority areas you will need to visit their websites for details on the admission policies and oversubscription criteria. If you are unable to apply online, then please email the School Admissions Team, or drop into one of the Halton Direct Link Offices to obtain a form.

The timetable for Primary School admissions is as follows:

September 2024	Admission to Primary School booklet available online. Online applications open
15th January 2025	Closing date for receipt of preference forms and online applications
16th April 2025	Notification of outcome of preference available online, to those who applied online, and letter posted to parents of paper applicants
16th May 2025	Closing date for submission of intention to appeal

You should read the booklet carefully and think about how your child's application will be considered against each of your preference school's oversubscription criteria before indicating that school as a preference. Failure to submit an application may result in the Local Authority being unable to allocate a place for your child at your preferred school.

It is important that you make as many preferences as possible (up to the maximum of 3) to increase your chances of being offered a school of your preference. It is sometimes not possible to offer any of a parent's preferred schools and in these circumstances your child will be allocated a place at the nearest school with vacancies by the Local Authority. However, this will not affect your right of appeal to an independent appeals panel against the decision not admit your child to your school(s) of preference and details on these procedures will be given to you at that time. If you require any further information please contact a member of the School Admissions Team on the telephone numbers above or by email.

Please note: There is no first-come-first-offered basis for applications. All applications received are considered against the oversubscription criteria for the school. The important thing to do is to make sure that you complete the online application, or submit a paper application form on-time, **before the deadline of 15th January 2025**. Failure to do so will result in your application being considered as late, and this may harm your chances of being offered the school you prefer. Schools will be holding open day/evening events over the coming months and you should contact your preference school(s) directly for further information.

If your child has an Education, Health and Care Plan (EHCP) you should contact your child's SEND Coordinator to discuss their application and you **do not** need to make an application as this will be coordinated by the SEND Team.

If you've received this letter and your child does not live in Halton please contact your local authority for details on their scheme and make your application to your home local authority, even if you wish to make preferences for Halton schools.

Yours sincerely,

Halton School Admissions Team
