

(Key Knowledge)

Continent	A very large land mass of the world which may include many countries.
Safari	A trip to hunt or observe animals in their natural habitat (usually in East Africa).
Swahili	One of the official languages spoken in Kenya.
Savannah	An ecosystem similar to grassland but with scattered trees.
Climate	The average weather (temperature, rainfall etc) in a place over many years.

Geographical Outcome

Understand geographical similarities and differences through studying the human and physical geography of a small area of the UK, and of a contrasting non-European country. Identify seasonal and daily weather patterns in the UK and the location of hot and cold areas of the world.

What? (Key Vocabulary)

Spelling	Definition/ Sentence
Country	A nation with its own government.
Capital	A city or town that is the home to government.
Equator	An imaginary line around the middle of the Earth at an equal distance from the North and South Poles.
